GES Logistics can make your show—and your budget—much more manageable.

A big part of managing a show is managing the budget and we've done everything we can to make GES Logistics affordable. We manage your trade show transportation by teaming with select carriers to provide competitive pricing, outbound shipping and storage solutions.

Our specialized transportation services include:

- On-site customer support from show move-in through move-out
- Domestic transportation (local, regional, transcontinental)
- Standard ground transportation
- Expedited ground service
- 24/7 online tracking at ges.com
- Full truckload and specialty equipment (see following page)

Send us an email or give us a call to hear about our wide range of transportation services.
