

Approved IPPE Exhibitor Vendors

Special Advisory to All IPPE Exhibitors

Outside groups often take advantage of an exposition's exhibitor list and aggressively target and solicit exhibitors with their services. Some go as far as to fraudulently claim to be part of IPPE. We urge all exhibitors to be especially diligent when assessing the claims of any vendor who is not an official service provider of IPPE. In some cases, these outside groups are making misleading and fraudulent claims about their product or service.

While you are welcome to purchase services from any vendor, IPPE encourages you to work with its partners listed below. IPPE cautions all exhibitors to use care when using any service provider who is not an official partner or vendor of IPPE. If you have any questions about a vendor, feel free to contact IPPE through email at asculthorpe@ippexpo.org or via phone at 678.514.1976.
