Exhibitor Registration and Housing Information

Maritz Global Events is the official registration and housing provider for IPPE. The Housing portal allows exhibitors to request hotel blocks, seniority housing will open on August 1, 2022 to IPPE's most senior exhibitors, then every two weeks after that based on seniority. The Registration portal will open on Monday, October 3, 2022, at this time you can register your booth staff, send an invite to your customers that you placed in the room block so they can register themselves or you can send them your company's unique promo code to register themselves. Please contact Robin Hughes at rhughes@ippexpo.org for your company's unique promo code for IPPE 2023. Deadline for this option is 01/03/2023 and badges will be mailed to booth contact the week of 01/09/2023. Please keep in mind that UPS does not deliver to PO Boxes only physical addresses, make sure that IPPE has your physical address on file. However, the exhibiting company's registered email is viewable to attendees through the online exhibitor search without restriction. Due to obvious safety and security reasons, to attain correct lead contact information and to prevent customers from acquiring early access to the trade show floor before show hours, **DO NOT REGISTER YOUR CUSTOMERS OR GUESTS FROM THE EXHIBITOR PORTAL.** For any additional questions or issues, please contact Maritz Customer Service or IPPE Show Management.

Housing Information

Maritz Global Events is the official housing provider for the International Production & Processing Expo. Our partnership with Maritz Global Events helps to ensure you will have a positive hotel experience and your customers get the lowest prices possible.

There are a number of companies of dubious reputation who may contact you by fax, email and personal telephone calls giving the impression they represent IPPE Housing. Additionally, there are several websites that offer rates too good to be true. They often employ bait and switch tactics by offering a prime hotel, but not delivering what is promised. **Beware.** Many times a full, non-refundable prepayment is required, and they do not allow cancellations or changes.

IPPE Housing offers the following benefits:

- Rates that are contracted to be the lowest available for the duration of the show
- Dedicated telephone number for IPPE attendees
- Dedicated customer service representatives who are familiar with IPPE and understand your business to better meet your needs
- Ability to manage your hotel block via the web
- Personalized service onsite during the Expo at the housing desk located in the A-B Registration Lobby
- Dedicated staff onsite who work with hotels to resolve hotel issues
- Every room booked in the official block improves our bargaining position to contract for the lowest available rates

By booking through IPPE Housing/Maritz Global Events., you have a company which stands behind all reservations, onsite support during IPPE, and personalized customer service representatives to assist you with your hotel needs and special requests.

Priority housing request forms are emailed to exhibiting companies based on continuous exhibiting seniority points. This year, the priority mailings are as follows:

August 1	35+ seniority points
August 15	20-34 seniority points
August 29	10-19 seniority points
September 12	1-9 seniority points
September 26	0 seniority points (new exhibitors) and complimentary booth exhibitors

The housing email will come from ippeexh@maritz.com. Be sure to add this email address to your safe senders list so it does not bounce as undeliverable or go to spam.

General housing registration opens **Oct. 3.** Please visit www.ippexpo.org for housing information.
