

Premier Breakthroughs Conference Giveaway Policy

Premier requests that all of our suppliers abide by our restrictions concerning gifts and promoting materials as part of Premier's Conflict of Interest Policy. This means that any single giveaway by any Premier contracted supplier must not exceed \$ 75.00 in value. Cash and Gift Cards of any type or amount are not allowed.

This policy does not dictate the number of giveaways that may be offered, as long as each giveaway is valued at no more than \$ 75.00. Promotion items such as pens, buttons, pads, etc., that have a supplier's logo are considered promotion and do not count toward the \$ 75.00 limit. Suppliers may have these available throughout the conference.

Remember many of our hospital members are governed by the same restrictions. Also, if a member who sits on one of our committees receives a giveaway valued greater than \$ 75.00, he or she could jeopardize their position on that committee.

If you have questions, please contact Premier's Ethics & Compliance Department at (704) 816-5253.

Thank you!
