Freight Target Move-In Information

- Target assignments are the point at which direct deliveries should be checked in **BY** at the Marshaling Yard. It is not the point at which booth set-up labor should be scheduled. Ship to the Advance Warehouse if you need booth materials unloaded by a specific date/time.
- Submit a request by September 25th for a target move-in change at <https://fs12.formsite.com/pmameetingforms/TargetVariance/index.html> if you need to come in off target.
- Target dates may only be changed with written permission. Missing your target date for move-in will result in higher costs and delay.
