

Ken Lawson, Secretary

Rick Scott, Governor

Dear IAADFS Member,

Welcome to Florida. We hope your trade show is successful. Since many members of your organization are coming in from outside of Florida, we would like to provide some information to those members that will be bringing in **alcoholic beverages, cigarettes and/or other tobacco products** into Florida.

In Florida, the above mentioned products are regulated and taxed by our agency. As a result, we must have a complete accounting of the quantity of these taxable products, which are entering our state. We ask that you fill out the attached forms; Application for and Permit to Import Cigarettes/Tobacco, for cigarettes and Other Tobacco Products and Application for and Permit to Import Alcoholic Beverages. You must also attach the corresponding bills of lading to this form. Use the conversion factor of ".26417" to convert liters to gallons if necessary.

Please mail your payment with the appropriate forms to:

The Division of Alcoholic Beverages and Tobacco
400 West Robinson Street
Suite 702
Orlando, Florida 32801

If you need assistance filling out the form or calculating tax, please call our Orlando Office at 407-245-0765.

Thank you for your cooperation in this matter.

Sincerely,
Ben Pridgeon
Chief Bureau of Audit Operations
