If you have an island booth and/or require electrical distribution, you must submit a booth floor plan with your Electrical Service Order Form to ensure that your outlets and lighting are properly placed.

To use this grid:

- Use bold lines to indicate the outline of your booth.
Indicate the scale of the grid (e.g. 1 square = 10 feet) or indicate the dimensions of your booth.
Mark the adjacent booth numbers or aisle numbers. This will help us orient your service correctly.
Mark outlet locations, expressed in watts or amps and voltage in each location.
Mark main power location.
Detach this form and send it with your prepaid Electrical Service Order Form.
The Payment & Credit Card Charge Authorization form (G-2) must be completed and returned with your order before labor will be performed.
