

DISPLAY VEHICLE PLACEMENT

Description

Displaying a vehicle at the show? Please be as detailed as possible with the information you provide.

GES charges a round-trip fee, per vehicle, to place a vehicle on the trade show floor. GES will receive equipment at show site and deliver to the Exhibitor booth. We will also handle the outbound as an inclusive service. For dual axle vehicles measure the distance from the front wheel to between the back wheels.

Vehicles that apply to this fee:

- Cars, Motorcycles, Pickup trucks, trailers. We require a photo and description of the mobile unit/vehicle and what will be inside or on it and will bill appropriately.
- If you are displaying mobile machinery, please specify in detail what it is along with a photo so we can bill you appropriately. This show may have a separate mobile machinery rate, please look for one in the kit or contact us and we will advise.

Please note the following:

- Any product, display, structure components that are in/on the vehicle, trailer or otherwise will be billed separately at the material handling rate.
- If this form is not completed prior to your move-in and the required documentation is not attached, you will be billed according to the assessment of the operations manager on site, no exceptions or disputes.

- We require a photo of the vehicle for billing purposes. Any photo that is not the complete rendering of the display will need to have an attached full description of what will be on/in the vehicle/trailer.
