

Motorized Vehicle in Booth

Vehicles on display must observe the following rules:

- Less than 1/4th tank
- Batteries to be removed or disconnected
- The gas cap must be locked or sealed by tape
- One key to the vehicle must remain in the booth at all times
- Visquine must be placed down under the path of the car to its' final destination and visquine must remain under the car from bumper to bumper
- The car must not be turned on at any time while in the elevator or the Ballroom

If you plan to have a vehicle in your booth, complete this form and email to BCI Show Management at exhibits@batteryCouncil.org.

Form must be received by April 10th or you will not be allowed to bring your vehicle onto the floor.
