## Booth Representatives Badge Form

2020 NFDA International Convention & Expo

October 18-21 – Ernest N. Morial Convention Center, New Orleans, Louisiana

### Exhibitor Registration Rules

- Representatives of exhibitors shall only be admitted to the Expo Hall if they are displaying registration badges. Registration badges are available to owners, executives, employees and bona fide representatives of exhibitors. Each exhibit representative must have his or her own badge. Maximum number of complimentary badges per exhibitor is three badges per 100 square feet of booth space. Badge requests that exceed the maximum will be assessed a \$70 fee per booth representative over the maximum.
- No representative may loan or trade his or her registration badge to any other person for any reason. Persons guilty of the practice of loaning or trading badges will be penalized by having their registration and badge canceled and all privileges terminated. In addition, NFDA shall collect the applicable registration fee from any unregistered individual who makes use of the registrant's badge. If that fee is not collected from the individual, the firm whose representative loaned the identification badge will be invoiced for the amount of the registration fee applicable to the user of the badge.
- NFDA reserves the right to cancel any exhibitor's contract or revoke the registration and badge of any representative or exhibitor who violates the rules and regulations of the expo.
- Temporary badges are required for those personnel assisting with installation and dismantling during Expo set-up and tear-down hours only and are available at the Exhibitor Registration Desk during set-up and tear-down.
- **SUITCASING/UNAUTHORIZED SOLICITATION POLICY:** Please note that while all meeting registrants are invited to the NFDA International Convention & Expo, any registrant who is observed soliciting business in the aisles or other public spaces, in another company's booth, or in violation of any portion of the Exhibition Policy, will be asked to leave immediately. Additional penalties may be applied including denial of participation at future NFDA events. Please report any violations you may observe to NFDA staff. NFDA recognizes that "suitcasing" may also take the form of commercial activity conducted from a hotel guest room or hospitality suite; restaurant, club, or any other public place of assembly. For the purposes of this policy, "suitcasing" violations may occur at venues other than the exhibition floor. NFDA must be informed of any hospitality suites, or other venues used for commercial activity in advance of its show, and expressed consent must be received prior to the event.
- **A photo I.D. and your (exhibiting) company business card are required to pick up badges onsite.**
