If you wish to change your assigned target date/time, you must submit this form before October 8 to avoid a surcharge.

Target Move-In Information

- Target assignments are the point at which direct deliveries should be checked in BY at the Marshaling Yard. It is not the point at which booth set-up labor should be scheduled. Ship to the Advance Warehouse if you need booth materials unloaded by a specific time/date.

- Submit a request by October 8th for a target move-in change at <https://fs12.formsite.com/pmameetingforms/TargetVariance/index.html> if you need to come in off target.

- Target dates may only be changed with written permission. Missing your target date for move-in will result in higher costs and delay.
