

# BUILD 26

AWCI's Convention + Expo

## Pre-Show Marketing Attendee List

All exhibitors are able to request a list of pre-registered attendees. This is a great way to accomplish your pre-show marketing!

The list will include names, company name, titles and addresses. The pre-show list will be available on or about February 10, 2026.

There is no need to request this list, it will be sent to all registered exhibitors.
