

Dear PSDA Exhibitors,

Thank you for your support of the Print Services & Distribution Association (PSDA) and the Distributor Solutions 2013 Conference and Expo to be held at Navy Pier in Chicago, Illinois, May 8-9, 2013.

Global Experience Specialists, Inc. (GES) will once again serve as our official show contractor. They have prepared this Exhibitor Service Manual to provide you with available resources to help make this a productive show.

They are available to assist you with questions related to move-in, move-out, material handling, and general logistics. Additionally, they will also be providing electrical services to exhibitors, so you may contact them with any questions regarding your electrical needs.

In this manual, you will find all the necessary forms for ordering services from GES, Navy Pier, and others. *Please pay special attention to deadlines for advance order discounts and services!* Act now to ensure that your space is equipped and serviced properly.

As you prepare for Distributor Solutions, please call either of us if you have questions or concerns. We are here to help make this a successful show for your organization.

We look forward to working with you this May in Chicago!

Best regards,
