

Increase traffic to your booth with *Safety+Health*® magazine!

***Safety+Health*® magazine
is the official publication
of the NSC Congress & Expo.**

You now get
priority points
for advertising in
Safety+Health
magazine

Our Show Stopper Package extends your reach to attendees before, during and after the show! Advertise* in August, September, and October to qualify for these great benefits:

- “On Display” product ad in the August pre-show planning issue and on the new *Safety+Health* website
- Bonus distribution at the show – the September issue is placed in every attendee registration bag
- Bonus ad in the September show issue**
- Online “Safety Showcase” listing and post-show visibility in the October issue
- Booth number included on your August and September ads
- Laminated ad to display in your booth

Call today to take advantage of this opportunity to increase your visibility and results at the largest annual show in the industry!
