Booth Drawing rules:

- The APTA logo **cannot** be used on any promotional or giveaway items
- Winners do have to be present to win

Please list all prize item(s) for which you will be conducting drawings at your booth. List items exactly how you would like them to appear on signage.

Booth Drawing process:

Prior to the Event:

Companies complete this drawing form informing APTA of their desire to participate, the prize and whether or not the item will be available to be given to the winner at NSC 2013.

At the Event:

Signage listing each of the participating companies, their drawing item and their booth location will be located at Attendee registration. Many exhibitors choose to have their drawing item on display in their exhibit booth. Companies will collect the attendee information that enters the drawing for the company's prize.

The Drawing:

Please present winner to Exhibitor Registration by 12:00pm on Saturday, October 26th. Each company draws the winner of their item and presents the winner's name, company, address and telephone number to Exhibitor Registration or the company may choose the name at 1:00pm when the drawing begins.

The Winners:

Beginning at 1:00pm the names of each participating company, the drawing item and the winner's name will be recognized. The announcement will be made over the PA system and will take place in the Exhibit Hall.

Return to APTA via e-mail at sarahdriver@apta.org

You will receive an email confirmation that the form has been received and is approved.
