

## **2015 APTA Combined Sections Meeting Exhibitor Warning**

As you know, the CSM 2015 exhibitor list is posted online at <http://www.afassanoco.com/csm/index.html> . Unfortunately, this listing may result in unofficial and non-vetted companies soliciting exhibitors for everything from booth descriptions to list rentals and housing reservations.

We strongly discourage you from working with any vendors that are not APTA endorsed. If approached by any vendors that you may not be sure of, please email [conferences@apta.org](mailto:conferences@apta.org).

Below is a list of official APTA vendors. Always look for the APTA approved vendor logo as that is a sign to you that this is an official APTA conference vendor who will uphold and meet APTA's vendor standards.
