

Dear Exhibitors,

We want to thank you for exhibiting with the Food Processing Suppliers Association, the International Dairy Foods Association, or InterBev Process, September 15 – 18, 2015, in Chicago, IL. Innovation, imagination and education are the cornerstones of PROCESS EXPO, INTERNATIONAL DAIRY SHOW and INTERBEV PROCESS. We have co-located in Chicago to provide the preeminent food and beverage technology event in North America--where food companies, packagers, processors, and suppliers will find the indispensable tools to help their companies thrive.

This co-location is the place to tap into the freshest ideas and cutting edge innovation. Decision-makers at all levels of the food and beverage industry -- executives, plant managers, purchasing agents, engineers, researchers, operations managers -- will be there looking for the next big trend.

Attendees will look to our exhibitors to discover the most modern food, dairy, and beverage equipment and technology available and network with the leaders in those industries. Throughout the four-day trade show, this event will offer a wide range of educational programs including sessions on business fundamentals, consumer trends, food safety, sustainability, product development and technology.

We thank you for supporting this dynamic food industry event and look forward to seeing you in Chicago!

Regards,

Three handwritten signatures in black ink are displayed horizontally. From left to right, they appear to be "Dan R. Sehn", "Connie Dyston", and "CT Pull".
