

**2017 Independent Garden Center Show  
Navy Pier, Chicago**

**Benefiting Habitat for Humanity of Chicago and ReStore Chicago**

Independent Garden Center Show has made Habitat for Humanity of Chicago and ReStore Chicago their charity of choice this year. As an exhibitor, you have the opportunity to donate the items in your booth this year. Your donated products will help support Habitat for Humanity's mission to partner with families, sponsors, and communities to build affordable, green, quality, energy-efficient homes and to provide support services that promote successful home purchase and ownership.

We build in the City of Chicago and donations like yours help us to reach dramatic results and make positive differences in the lives of family members and in neighborhoods.

It would be greatly appreciated (if at all possible) that all donated products be placed on pallets, shrink-wrapped. If this is not possible, please let us know and our volunteers will gather your donated items and get them ready to transport to Habitat for Humanity ReStore Chicago.

Also, we need to know who you are! Therefore a donor information sheet is attached and copies will also be available at the show organizer's booth at the close of the show on Thursday. It is important that you fill this donor form out as completely as possible. Once filled out, you may leave it at the show organizers booth, we will pick it up from there.

If you have questions, feel free to contact Deanna Davies, ReStore Director at 630-940-8003 or Michael Reeb, Procurement Manager at 630-301-9537.

Again, thank you for your generosity.

Sincerely yours,

A handwritten signature in black ink, appearing to read "Jennifer L. Parks", with a long horizontal line extending to the right.

Jennifer L. Parks  
Executive Director  
Habitat for Humanity of Chicago
