The sale and/or distribution of deadly weapons are unlawful in the City of Chicago unless the potential seller has obtained a weapons dealer license from the City of Chicago. Deadly weapons include, but are not limited to, pistols, revolvers and other firearms, daggers, stilettos, billies, derringers, bowie knives, dirks, stun guns or tasers or other deadly weapons that can be concealed on the person. See Chapter 4-144 of the City of Chicago Code of Ordinances. This same ordinance also prohibits the display of deadly weapons in showcases or show windows, on counters or in any public manner.

All persons using McCormick Place property are required to comply with all laws, statutes and ordinances, as well as any others also relevant to the issue. McCormick Place Loss Prevention has final approval on all goods sold during C2E2 2017. If the product is to be sold, it must be wrapped in a sealed box and a waiver must be signed. Waivers will be distributed during Booth setup.

All attendees entering the event will be reviewed for any props that resemble a weapon and this item will be tagged once deemed safe to the public. All other items deemed unsafe will be confiscated by Show Management.
