

Affiliate Event Guidelines

All events involving 2019 Annual National Conference (ANC) attendees require SNA approval. This includes events scheduled at unofficial facilities (corporate headquarters, non-official hotels, special venues, etc.).

Events planned independently of the School Nutrition Association are categorized as affiliate events. These activities provide opportunities for colleagues to gather and/or network with others within the industry.

SNA understands the value of having many members in one place and we offer the opportunity for corporate/industry groups and government agencies to organize meetings and events over the course of the conference. ***There is a non-refundable administrative fee for each approved application*. See fee schedule on last page.***

****The administrative fee will be waived for government agency sponsored events.***

Restricted and Approved Times

The 2019 ANC schedule is developed to maximize attendees' participation in SNA's educational program. Therefore, the availability and timing of affiliate events is limited. Affiliate events, including transportation and registration for the events, may be held during the unrestricted times listed below.

Friday July 12	Saturday July 13	Sunday July 14	Monday July 15	Tuesday July 16
Unrestricted	Unrestricted	6:00am – 8:00am After 5:30pm	6:00am – 8:00am After 5:30pm	5:00 – 8:00pm

All restricted times are reserved for SNA programs, meetings, and functions. SNA is protective of its attendees' time, energy and attention and strongly objects to third party initiatives scheduled outside of established guidelines.

Corporate Industry/Exhibitor Staff Meetings are permitted during restricted hours ONLY if they do not involve attendees other than company staff members. We encourage our exhibitors to attend education sessions and General Sessions, and the Closing Event.

Marketing Activities

If meeting or event is approved, a copy of invitation list and/or marketing material(s) must be shared with SNA within 30 days of assigning space for approval to send. Onsite marketing activities for affiliate events are restricted to the sponsor's exhibit booth (if applicable) and one sign outside the assigned room just prior to the start of the event only. Promotion of the affiliate or off-site event is specifically forbidden in other areas of SNA designated convention centers or hotels, unless approved by SNA in advance. This includes door drops, distribution of invitations, signs and/or exhibitor agents, designees, or staff holding signage or directing attendees. Such invitations and signage will be removed and destroyed.

The names, logos, and acronyms of the 2019 ANC are the exclusive property of SNA. They may not be used in any way, for any purpose or at any time (including but not limited to announcements, invitations, emails, Web publications, etc.) without the express written permission of SNA.

The only terminology approved for use in all printed material referencing the meeting (including emails and publications on the Web) is: **"while attending the 2019 ANC"**

It is not acceptable to use “**at the 2019 Annual National Conference**”, or “**in conjunction with the 2019 ANC.**”

You may not use our trademark:

- In, as, or as part of your own trademarks
- To identify products or services that are not ours
- In a manner likely to cause confusion
- In a manner that implies inaccurately that we sponsor or endorse, or are otherwise connected with, your own activities, products, and services

The following must appear prominently and legibly in all printed material promoting the affiliate event (including emails and publications on the Web): “**This is not an official function/event of the School Nutrition Association.**”

Violations

Anyone involved in an affiliate event agrees to observe SNA rules and regulations. All meeting organizers or potential meeting organizers are responsible for ensuring that their company representatives and/or agents adhere to all rules and regulations. Any violations may jeopardize future exhibiting status and/or affiliate event requests.

If an affiliate event is found to have violated SNA rules and regulations, the sponsoring organization, the supporting organization and the organizer of the event may be prohibited from holding an affiliate event the following year. Violations may also result in the loss of exhibitor priority points.

SNA approval is required for all affiliate events, independent of whether the organization is requesting function space from an SNA venue. Review approved event start times above prior to submitting. Submit one form for each requested event. An administrative fee, as outlined below, will be assessed to each SNA approved request.
