Copies of the 2024 Chicago Auto Show Rules and Regulations, floor plans of the exhibit hall layout, and column types and dimensions follow this show bulletin.

Please review the Rules and Regulations and note the reference to the control of noise generated by loudspeaker systems. Exhibitors shall cooperate in efforts to prevent excessive noises, which cause discomfort to visitors and other exhibitors.

**Note** In addition, all exhibitors will observe a “quiet time”, no amplified sound, from 8:15 p.m. to 9 p.m., Friday, Feb. 10 for the First Look for Charity ceremonies.

The time for exhibit completion is no later than 6 a.m. Thursday, Feb. 8, for all exhibitors. Allied exhibitors should refer to Bulletin 3. The exhibit hall will be “show ready” at this time to accommodate the Media Preview schedule. No work or equipment will be permitted on the show floor during the media events without the approval of show management.
