Beware of Housing Scams

Fraudulent companies have been known to contact members of our community and falsely claim to be agents of, or associated with, NAHAM to offer discounted room rates and/or attendee contact lists. It is not uncommon for such firms to feature the association logo on their emails and have their telemarketers represent themselves as convention staff. NAHAM does NOT contract with any third-party room brokers. We ask you reserve your room using only the approved NAHAM link on this page.
