

Dear Offshore WINDPOWER 2013 Exhibitor,

AWEA is proud and delighted to bring you another incredible Offshore WINDPOWER Conference & Exhibition filled with quality exhibitors and valuable attendees. This year, we've revised many features of the event in an effort to maximize the value of your investment in the show! We've revised the allotment of complimentary exhibitor passes, added additional exhibit only time to the schedule, and have improved the online networking system. We are looking forward to a busy, energetic and informative event at the Rhode Island Convention Center in Providence, RI.

We are pleased to continue our relationship with GES as our general contractor and official service provider. GES serves 2,000 exhibitions and events annually and is very experienced in working with exhibitions such as Offshore WINDPOWER. GES is responsible for answering exhibitor questions, processing your orders and handling any special requests. They are the conduits between production, operations and your exhibiting needs.

First things first... Enclosed you will find the Offshore WINDPOWER 2013 Exhibitor Manual. It contains all the resources you'll need to achieve a successful show. Please read through the entire manual, paying special attention to the Early Discount dates and the Rules and Regulations. Also, please visit the Offshore WINDPOWER 2013 Exhibitor Dashboard and take a minute to review and update your Exhibitor Profile.

The offshore wind market is developing quickly and there has been a lot of exciting progress in the sector already this year. We expect this trend will continue through 2013 and hope to see more of the same while at the event; get the latest information on Offshore WINDPOWER at www.offshorewindexpo.org. We look forward to seeing you at North America's premier offshore wind event – Offshore WINDPOWER 2013!

Sincerely,

A handwritten signature in black ink that reads "Brandon Kopp". The signature is written in a cursive, flowing style.
