BOOTH PACKAGE FLOORING OPTIONS

Part of your booth package for the upcoming ICFF® consists of carpeting. The carpeting is premium grade, 100% recyclable, and includes padding. The attached carpet info sheet depicts the six carpet colors available. The aisles will be carpeted with black carpet. Please indicate your choice from the list below and return this form before **April 11, 2014**. If we do not hear from you by this date we will assume that you will be providing your own flooring and no carpet will be installed. Exhibitors opting out of the booth carpet will be left with the Javits Center bare cement floor. The exception is Hall 1D which is permanently carpeted. Exhibitors in Hall 1D who do not select a carpet color will receive the charcoal color carpet. If you decide to remove the carpeting during set-up, the removal of the carpet will be subject to time and materials charges. The labor charge will be \$234.00 per man hour.
