

FREIGHT CHECK-IN

When you arrive at the Javits Center you will need to sign in at the Check-In Office. You will be issued a move-in/out card which will allow you access into the building through the 39th St. entrance. You will not be allowed admittance into the building without the move-in/out card- no exceptions. This card needs to be displayed on your dash above your steering wheel with the printed-side facing up.
