

Exhibitor Insurance Requirements

This information tells you:

- What insurance coverage you are required to have
- What you need to send us

Required Coverage

As an exhibitor, you are required to carry commercial general liability insurance including products and completed operations, contractor's personal injury and blanket contractual liability insurance at limits of at least \$1,000,000 per occurrence and \$2,000,000 aggregate. What You Need To Send Us

You do NOT need to send us a certificate of insurance unless we ask you for it. If we do ask you for it you must send it to us within one week of our request. This is a change from the past when we needed you to send us the certificate in advance. Please let your team know that unless we ask, you don't have to send us anything.

How To Purchase The Insurance

Contact your insurance provider to add the additional insureds as noted in the Required Coverage paragraph above. Purchase your insurance using the same name you gave us on your exhibit space contract as the "exhibiting company." If that name is different from your corporate name, then please list it as a DBA (doing business as).

The certificate holder name and address for the certificate should read:

UBM Americas
2 Penn Plaza, 15th Fl
New York, NY 10121
