

VEHICLE DISPLAY WAIVER

If you wish to have a motor vehicle, such as a car or motorcycle, as a display element in your booth, you must have advance written permission from the Show Management Operations team.

Attach this form to a picture of the vehicles to be used and floor plan showing the size and location of the vehicles within your booth and send no later than **30 days before the start of the show. (July 8, 2019)**

The New York Fire Marshal has very specific rules and regulations regarding Motor Vehicles for Display.

By signing this form, you are agreeing that the following rules will be strictly observed:

- No more than one gallon of fuel is permitted per vehicle.
- Tanks cannot be refueled or emptied inside the Javits Center.
- Fuel tanks must be equipped with a locking gas cap.
- Battery cables must be disconnected and the ends taped.
- During non-show hours, vehicles must be locked.
- A properly tagged set of keys to each vehicle must be left with Javits Security prior to display.
- No repairs or alterations may be made on vehicles.
- Fire extinguishers, in appropriate numbers and classifications, must be provided by exhibitors.

Installation of display vehicles will not be allowed without a signed copy of this form.
