

VEHICLE DISPLAY WAIVER

If you wish to have a motor vehicle, such as a car or motorcycle, as a display element in your booth, you must have advance written permission from the show management operations team.

Attach this form to a picture of the vehicles to be used and floor plan showing the size and location of the vehicles within your booth and send no later than **30 days before the start of the show. (December 19, 2018)**

The New York Fire Marshal has very specific rules and regulations regarding Motor Vehicles for Display. **By signing this form, you are agreeing that the following rules will be strictly observed:**

- No more than one gallon of fuel is permitted per vehicle.
- Tanks cannot be refueled or emptied inside the Javits Center.
- Fuel tanks must be equipped with a locking gas cap.
- Battery cables must be disconnected and the ends taped.
- During non-show hours, vehicles must be locked.
- A properly tagged set of keys to each vehicle must be left with Javits Security prior to display.
- No repairs or alterations may be made on vehicles.
- Fire extinguishers, in appropriate numbers and classifications, must be provided by exhibitors.

Installation of display vehicles will not be allowed without a signed copy of this form.
