PARKING

There is no parking at the Javits Center. ParkWhiz app can provide locations of nearby parking as well as parking space rental rates.

SERVICE ANIMAL POLICY

Only service animals and those approved by the Javits Center as part of an exhibit, activity or performance legitimately requiring the use of animals are permitted. Approved animals must be leashed, within a pen, or under similar control as appropriate. Show management may request that animals leave the show floor if they are disruptive, cause injury or damage, or if there are complaints from exhibitors, attendees, or the venue. The owner takes full responsibility of their animal.

AGE RESTRICTION

Children under 18 are not permitted during move-in & move-out.

CLOSED-TOED SHOES

Everyone in the exhibit hall during set-up and tear-down is required to wear closed-toed shoes for safety purposes. Exhibitors found not complying will be asked to leave the hall.

PORTER SERVICE

Show management will have laborers from GES available to help you load your car on a first-come, first-serve basis. A porter service desk will be available on Monday throughout move-in hours and 4pm-8pm on the final day of the show. During move-out, you may only sign up for porter service once you are packed up and ready for assistance.

SHOW FLOOR ACCESS

Only approved EACs and employees of the exhibiting company will be granted access to the show floor during move-in.

CARDBOARD DISPOSAL

All exhibitors must flatten and separate cardboard for disposal.

SECURED STORAGE

Complimentary Secured Storage is available solely to badged exhibitors on a first-come, first-served basis. SS opens two hours prior to show open each day and closes between 10:45AM and 4:00PM on the final show day.

Secured Storage is for the sole use of storing items containing your booth merchandise & products. Items made of paper, cardboard, or wood; empty rolling racks; suitcases; fibers; and items used to build, construct, furnish, decorate, or create displays will **NOT** be accepted.

All items accepted must be properly labeled; the content of any accepted items will not be inventoried nor recorded. To claim items, badged exhibitors must be in possession of relevant paperwork.

BOOTH DISMANTLE

During move-out, everyone will be trying to exit the show at the same time. Your patience, cooperation and courtesy to your neighbors will make move-out a smooth process. When possible, keep boxes, cartons, etc. within your booth space to keep the aisle as clear as possible to facilitate a smooth move-out.

Exhibitors may still be working with their buyers beyond the close of the show. When dismantling your booth, please be considerate of your neighbors who may still be conducting business.

Informa recommends that exhibitors remain with their shipment until the carrier of your choice picks it up. Show Management, GES, the Javits, and Citadel Security are not responsible for exhibitors' materials.

RETURN OF EMPTY BOXES/CRATES

GES will begin returning exhibitors' cartons, boxes, etc., that were placed in empty storage, once the aisle carpet is removed. Since there will be many boxes to return from numerous areas it will take some time before all materials are returned to your booth. (Not all empties will be returned at the same time.) Please be patient. This process can take 6-8 hours to complete.
