

2013 AUSA ANNUAL MEETING EXHIBITOR SERVICES MANUAL

OFFICIAL SERVICE CONTRACTORS

To assure orderly and efficient freight movement, installation, operation and removal of the displays and economical and effective operation in other related areas, AUSA has designated the firms shown below as Official Contractors. As such, AUSA holds these firms responsible for quality service and fair prices and is prepared to intercede on behalf of any exhibitor in the event of faulty work or unfair charges. Whether you use an official service contractor or another whose work and prices are known and satisfactory to you, we urge you to place your orders for the services and materials that you will require as far in advance as possible.
