

Dear AUSA Sustaining Members:

As you plan for your participation in the 2013 AUSA Annual Meeting & Exposition, please pay particular attention to the following guidelines regarding attendee and exhibitor badges.

AUSA no longer requires that a single point-of-contact be responsible for badge registration at the Annual Meeting. You now have the option of registering your personnel who require attendee or exhibitor badges, or you may forward this message to others within your organization so that they may register individually.

Our online registration system will be activated on **MONDAY, 3 JUNE 2013**. Please visit the AUSA homepage at www.ausa.org and click on "Meetings." Then select "AUSA 2013 Annual Meeting & Exposition." You will then have the opportunity to pick from two types of badges. Please read the descriptions below to ensure that you get the correct badge.

1. Attendee Badge - This badge should be given to employees that will simply be attending the conference, participating in the professional development seminars or viewing the exhibits during normal show hours.

2. Exhibitor Badge - This badge should be given to employees that will be working in your company's booth. Exhibitor badges allow your employees to access the hall during set-up and tear-down times. Exhibitor badges also provide you with the same privileges as that of an Attendee Badge. **It is not necessary to have more than one type of badge.**

When you register, your e-mail address is a required field. This is so a confirmation number can be e-mailed directly to you. Please bring this confirmation with you when you come to the show.

Badges will NOT be printed in advance. They will be issued on-site at the Walter E. Washington Convention Center. You must present a government-issued photo identification (including a driver's license, passport or military ID) and company identification (a company photo ID or company business card with your name on it.)

This form must be presented at the AUSA registration area by the individual whose name will appear on the badge. Please complete the ***“Affiliate Badge Request Form”*** and provide a faxed copy to AUSA, attention Rand Meade, **no later than Friday, 4 October 2013. The AUSA fax number is: (703) 243-2589.**

Please see the GES guidance regarding EAC temporary labor wrist bands that follows this announcement.

PLEASE NOTE: Due to increased security requirements, badges will not be issued in bulk. Each individual must be present to pick up his/her badge. There will be no exceptions to this policy.
