PASSPORT TO PRIZES: Booth Traffic-Building Game

Deadline: November 4, 2013

The American Epilepsy Society (AES) is excited to announce the return of the booth traffic building promotion called "Passport to Prizes" to the 2013 Annual Meeting. This is a great way to attract and keep attendees on the exhibit floor.

How Passport to Prizes works:

Each attendee will receive a passport with their registration materials. Attendees will be instructed to stop by each participating exhibiting company's booth to receive a "stamp" on his or her passport. The attendee must complete the entire Passport in order to be eligible for the daily and grand prize drawing that will be held on the final day of exhibits. **Attendees must be present during the prize drawing to win.**

Participating exhibitors will receive a stamp/colored marker at the start of the show from show management to mark attendee passports. Please make sure your booth is properly staffed to handle the traffic.

To Participate:

The Passport to Prizes program fee is \$750 and availability is limited. Participating companies will be accepted on a first-come, first-served basis. The participation fee goes towards the daily and grand prizes, as well as printing and promotional costs of the program. Payment is required with reservation and is non-refundable.
