## **HOTEL & TRAVEL INFORMATION**

### **HOTEL**

USENIX has negotiated special rates for conference attendees at Washington Marriott Wardman Park Hotel. Please make your reservation as soon as possible by contacting the hotel directly and mentioning USENIX or LISA to get the special group rate. Book your room at (800) 228-9290 or via the online reservation link:

[https://resweb.passkey.com/Resweb.do?mode=welcome\\_ei\\_new&eventID=10449912](https://resweb.passkey.com/Resweb.do?mode=welcome_ei_new&eventID=10449912)

### **Hotel Discount Reservation Deadline**

Tuesday, October 15, 2013

### **Room Rates:**

Please go to <https://www.usenix.org/conference/lisa13/hotel-and-travel-information>. There are different rates based on single or double rooms.

### **Why should you stay in the headquarters hotel?**

We strongly encourage you to stay in the conference hotel and when making your reservation to identify yourself as a USENIX or LISA conference attendee.

By contracting rooms for our attendees, we significantly reduce hotel charges for meeting room rental. When those sleeping rooms are not occupied, we face significant financial penalties. Those penalties force us to ultimately raise registration fees.

With costs going higher and higher, we are working hard to negotiate the very best hotel rates for you and to keep other conference expenses down in order to keep registration fees as low as possible. We appreciate your help in this endeavor.

### **TRANSPORTATION**

Area airports and corresponding rates are listed below. The hotel does not provide shuttle service.

As your tradeshow partner, our goal is to provide you with hassle-free service so you can get on with your show. Even if you use an Exhibitor Appointed Contractor, you should have a basic working knowledge of the Exhibitor Services Manual contents and information.

By following the information below, you will enjoy a smooth trade show experience.

## Ordering Trade Show Services

- Please include your complete customer information on each order form including address with zip code, phone and fax numbers, e-mail addresses, company, and contact name and most importantly, booth number. If you have multiple booth locations, please complete separate order forms for each location (booth, meeting room, etc.).
- Please ensure that the credit card information is complete and correct including the expiration date.
- When ordering carpet, draped tables or counters remember to select the colors you desire.
- Please make sure that the size of the carpet you order is appropriate for your booth space (e.g.; do not order a 10' x 20' carpet for a 10' x 10' booth).
- Keep the total square footage of your booth space in mind when you order your decorating items. Don't order more than will comfortably fit in your booth and still allow you to do business.

## Inbound - Move In

- Confirm your furnishings orders with the GES National Servicer<sup>®</sup> [www.ges.com/chat](http://www.ges.com/chat). You should receive a confirmation of your order within 3-5 days of placement.
- **Confirm target dates with GES and communicate them to your carrier. Refer to the Special Handling brochure to ensure that you do not incur special handling charges. You may want to share this brochure with your carrier.**
- Keep the phone number of your carrier with you, including weekend contact and tracking numbers.
- Have your hotel information available, including phone number, address etc.
- After emptying crates, place empty labels on all sides of your crates and cases. Remember to remove old empty labels. Additionally, empty labels are sometimes color coded, so make sure you get the correct color and be sure your booth number is on each label.

## Showsite

Put together a trade show survival kit to include in your freight or carry with you, including:

- Small Tool Kit
- Stapler, Scissors, Tape
- Pens & Markers for labels
- First Aid Kit
- Bottled Water

## Work Zone

- Customer acknowledges that the show site and surrounding areas are active work zones. Customer, its agents, employees and representatives are present at their own risk.

## Outbound - Move Out

- Keep in mind, the return of empty containers varies depending on the size of the show, so coordinate your outbound flight to accommodate this. GES does not provide security at show site. It is the Customer's responsibility to stay with their property. GES is not responsible for loss or damage to property left in the Customer's booth at any time for any reason.

## Union Information

To assist you in planning your participation in your show, we are certain you will appreciate knowing in advance that union labor will be required for certain aspects of your exhibit handling.

### Carpenter Union

The installation and dismantling of prefabricated displays comes under the jurisdiction of the Carpenter's Union. This includes signs and laying of carpet.

### Teamsters Union

Members of this union claim jurisdiction on the operation of all material handling equipment, all unloading and reloading, and handling of empty containers. An exhibitor may move materials that can be carried by hand, by one person in one trip, without the use of dollies, hand trucks, or other mechanical equipment.

The Official Service Contractor shall be responsible for all matters in the Dock area. This shall include but not limited to such items as assignment of dock space and loading or unloading of all materials and equipment.

### Trade and Public Shows

Two (2) full-time exhibitor employees may work without Carpenter labor for one (1) hour on the move in and one (1) hour on the move out, for booths that are larger than 10'x10'. Exhibitors may work in booths 10'x10' or smaller without the use of Union labor.

The use of power tools is not permitted. As an exhibitor, you will be pleased to know that there are no restrictions or requirements to use union labor for the unpacking and placement of your merchandise or product and equipment tuning or calibrating, provided exhibitors use full-time permanent employees.

## Gratuities

Our work rules prohibit the SOLICITATION OR ACCEPTANCE of tips in cash, product or gifts in kind by any employee (union or non-union). Our employees are paid appropriate wages denoting professional status, therefore tipping of any kind is not allowed.

## Work Zone

Customer acknowledges that the show site and surrounding areas are active work zones. Customer, its agents, employees and representatives are present at their own risk.

## Always Honest Hotline

GES requires the highest standards of integrity from all employees. Please call our confidential Always Honest hotline at 866.225.8230 to report fraudulent or unethical behavior.

All orders are governed by the GES Payment Policy and GES Terms & Conditions of Contract as specified in this Exhibitor Services Manual.

 b. **Receipt of Goods:** GES shall not be liable for Goods received without receipts, freight bills, or specified piece count on receipts or freight bills, or for bulk shipments (i.e., UPS, air freight, or van lines). Such Goods shall be delivered to booth without the guarantee of piece count or condition.

Such liability shall be limited to the cost to Customer of the supervised labor or the depreciated value of the Goods, whichever is less. If Customer elects to use unsupervised labor, then Customer assumes all liability for the actions or claims that arise out of such work, including but not limited to loss, damage or bodily injury and shall provide GES and show management with an indemnity, including defense costs, for any claims that result from Customers' supervision or failure to supervise assigned labor.

**VIII. Miscellaneous**

a. **Insurance. GES IS NOT AN INSURANCE COMPANY AND DOES NOT OFFER OR PROVIDE INSURANCE.** It is the obligation of Customer to ensure Goods are insured at all times. Loss or theft of the Goods in storage or in transit to and from the show and or while on the show floor is the sole responsibility of Customer. GES recommends Customer arrange for all Risk Coverage.  
 b. **Notice of Loss or Damage:** In order to have a valid claim, notice of loss or damage to Goods must be given to GES or its agent within 24 hours of occurrence (as evidenced in an Incident Report completed at Show Site by GES) or delivery of outbound Goods.  
 c. **Filing of Claim:** Any claim for loss or damage to Goods must be in writing, containing facts sufficient to identify the Goods, asserting liability for alleged loss or damage, and making claim for the payment of a specified or determinable amount of money. Such claim must be filed with the appropriate party within the time limits specified herein. Damage reports, incident reports, inspection reports, notations of shortage or damage on freight bills or other documents, do not constitute filing of a claim. Claims for Goods alleged to be lost, stolen or damaged at the Show Site must be received in writing by GES within **thirty (30)** days after the close of the show. Claims for Goods alleged to be lost or damaged **during transit** must be received by the responsible party within nine (9) months of date of delivery of Goods. GES Logistics subcontracts the movement of Goods to third party carriers. Claims for damage in transit should be made directly with your carrier as shown on the Material Handling form/ Bill of Lading. In the event of a dispute with GES, Customer will not withhold payment or any amount due GES for Services as an offset against the amount of the alleged loss or damage. Customer agrees to pay GES prior to the close of the show for all such charges and further agrees that any claim Customer may have against GES shall be pursued independently by Customer as a separate action to be resolved on its own merits. GES retains the right to pursue collection on amounts owed after show close, without regard to any amount alleged to be owed for damage, or loss.  
 d. **Filing of Suit:** Any action at law regarding loss or damage to Goods must be filed within one (1) year of the date of declaration of any part of a claim (logistics claims excluded).

**IX. Jurisdiction, Choice of Forum**

These Terms and Conditions of Contract shall be governed by and construed in accordance with the applicable laws of the United States or, alternatively, and depending on jurisdiction, the laws of the State of Nevada. The parties hereby submit to jurisdiction and venue in the United States Federal District Court of Nevada, or as applicable depending upon jurisdiction, the County Circuit Court in Clark County, Nevada.

**X. Advanced Warehousing/Temporary Storage/Long Term Storage**

All terms and conditions relative to Advanced Warehousing/Temporary Storage/Long Term Storage are contained in separate agreements titled "Storage Agreement". In the event that a Storage Agreement is not executed between the parties, the following shall apply with respect to GES' liability for Customer Goods. The responsibility of GES with respect to Customer Goods is limited to the exercise of ordinary care and diligence in handling and storing of Customer Goods. GES shall be liable only for loss or damage to Goods caused by GES' sole negligence. GES' liability is limited to \$.60 (USD) per pound with a maximum liability of \$100.00 (USD) per container, or \$1,500.00 (USD) per shipment whichever is less. In case of partial loss or damage, the maximum liability shall be prorated based on weight. GES is not responsible for any loss or damage to Goods caused by, but not limited to fire, theft, the elements, vandalism, moisture, vermin, mechanical breakdown or failure, freezing or changes in temperature, as well as any other causes beyond GES' immediate control. GES is not responsible for the marring, scratching or breakage of glass or other fragile items. GES is not liable for the mechanical functions of instruments or appliances even if such articles are packed or unpacked by GES. In no event shall GES be liable for special, incidental, indirect or consequential damages, including business loss of any kind, resulting from any damage to or loss of the Goods or from any act or failure to act. Customer pays storage fees or costs for advance warehousing for use of the space only. There is no guarantee of security or representations made by GES as to appropriateness of the conditions for Customer Goods. The risk of loss remains Customer's alone and GES recommends the Customer carry and maintain insurance in amounts sufficient to cover its risk.

# ATTENTION:

## PETROLEUM SURCHARGE INFORMATION

Increased petroleum costs have impacted every facet of our business, from the cost of carpeting, plastics, visqueens, graphic substrates, propane & diesel fuel.

While the cost of gasoline has fluctuated greatly in recent months, the costs for other petroleum based products still are at record levels. GES has enacted a petroleum surcharge to partially recover the increased costs related to petroleum.

The Petroleum Surcharge will result in a 3% increase on all services published in the exhibitor services manual with the exception of GES Logistics, which already has a fuel surcharge built into the rates. These charges will be shown as a separate line item on your GES invoice.

GES thanks you for your continued support and patience during this critical time.

COMPANY NAME	EMAIL ADDRESS	BOOTH NUMBER

The undersigned Exhibitor Appointed Contractor ("EAC") has been designated by an Exhibitor to perform certain services for the Exhibitor at the above referenced show. In consideration of the show organizer and GES permitting the EAC to perform such services at the show, the EAC and GES hereby agree as follows:

**Rules and Regulations**

1. EAC agrees to comply with all rules and regulations of the show as outlined in this agreement, the Exhibitor Kit/Services Manual, including all union rules and regulations, and accept liability for any negligent actions.
2. EAC agrees that it must ascertain and comply with all rules and regulations of the venue, Show Management, and/or the Official Service Provider in order to create a safe work environment. A failure to do so can result in a delay or termination of your right to continue work if the condition cannot be corrected.
3. EAC agrees that the show site, dock and surrounding areas are active work zones and the EAC, its agents, employees and representatives are present at their own risk. Entry into the dock area is prohibited.
4. **EAC must have all business licenses and permits required by the State and City governments and the convention facility management prior to commencing work. A certificate of insurance naming GES as an additional insured with appropriate insurance limits prepared by the EAC's insurance agent must be submitted to GES at least 30 days prior to the first date of move in.**
5. **This Agreement and Rules and Regulations between GES and EAC must be completed by an authorized representative of EAC and returned to GES before the deadline noted above.**
6. **If the EAC fails to provide the documentation required in paragraphs 4 and 5 above, the Exhibitor will be required to use GES for such services at the prevailing rates set forth in the Exhibitor Kit/Services Manual.**
7. EAC shall provide, if requested, evidence to Global Experience Specialists, Inc. (GES) that it possesses applicable and current labor contracts and must comply with all labor agreements and practices. The EAC must not commit or allow to be committed by persons in its employment any acts that could lead to work stoppages, strikes or labor problems.
8. EAC will be responsible for all reasonable costs related to its operation, including overtime pay for stewards, restoration of exhibit space to its initial condition, etc. Where applicable a one hour minimum labor charge will be charged at the appropriate steward rate of pay per day/per union to either the EAC/Exhibitor depending upon the billing arrangement set up with GES. (Based upon EAC not number of booths)
9. The show aisles and public spaces are not part of the Exhibitor's booth. Therefore, EAC is required to confine all activities to the exhibit space of the Exhibitor who has given a valid order for services. Exhibitors may be charged for costs related to movement of its property if the EAC does not contain its operations within the confines of the booth. No service desks, storage areas or other work facilities will be located anywhere in the building. The show aisles and public space are not a part of the Exhibitor's booth space and must be kept clear at all times.
10. During show hours only EACs with exhibit badges will be permitted on the exhibit floor. No EAC will be permitted on the exhibit floor during show hours without the proper Convention name badge supplied by the exhibiting company. EAC must furnish Show Management and GES with the names of all on-site employees who will be working on the show floor and ensure that they have and wear identification badges at all times necessary as determined by Show Management.
11. EAC has attached herewith certificates of insurance confirming the following required insurance:
  - Commercial General Liability, including contractual liability, with limits of not less than \$1,000,000 each occurrence, \$2,000,000 general aggregate and \$2,000,000 products & completed operations aggregate.
  - Automobile Liability with a limit of not less than \$1,000,000 combined single limit - each accident.
  - Workers Compensation, as required by law, with Employers Liability Limits of not less than \$1,000,000 each accident, \$1,000,000 disease - each employee and \$1,000,000 disease - policy limit.
  - Umbrella/Excess Liability with a limit of not less than \$1,000,000 each occurrence/aggregate.
  - The Commercial General and Automobile Liability Policies shall name Global Experience Specialists, Inc. (GES) (Official Service Provider), Usenix (Show Management), Usenix "LISA" (Large Installation System Administration) (Show) and Marriott Wardman Park Hotel (Facility) as additional insureds on a primary and non-contributory basis per the attached sample certificate of insurance.
12. EAC agrees to indemnify, defend and hold the Show Management, the Facility and Global Experience Specialists, Inc. (GES) harmless from and against any and all claims, lawsuits, demands, liability, costs and expenses, including reasonable attorney's fees and court costs, arising out of EAC's operations, including supervision of GES provided labor. EAC also agrees to reimburse GES for all attorney's fees and costs incurred in connection with any and all claims, lawsuits and counterclaims that should arise out of EAC's failure to adhere to the terms of this agreement.
13. Solicitation of business on the show floor is strictly prohibited. If EAC attempts to provide services designated to another party as "exclusive" or is discovered soliciting on the show floor including the distribution of official company literature, or otherwise does not comply with the rules, the company may be removed from the show floor, and the Exhibitor will not be able to use that company for the remainder of the event.
14. EAC/ Exhibitor may not move freight from one booth to another booth, or to meeting rooms. GES must provide labor.
15. EAC must coordinate all of its activities with Global Experience Specialists, Inc. (GES).
16. The Exhibitor or its EAC should order services required from GES and the Exhibit Hall in advance. Ordering labor or services onsite (which contractors may not be prepared to provide immediately) may delay the set-up of your booth or force your set-up into overtime.
17. The Exhibitor or its EAC should take steps to protect the Exhibitor and the EAC's product in the booth by arranging for booth security and/or cages. GES is not responsible for items left unattended on the show floor.
18. EAC agrees GES is not responsible for any items stored in empty containers. Do not store empty cartons inside of empty crates. Cartons are returned from storage before crates so Exhibitors may begin packing their product.

<b>Rules and Regulations (continued)</b>		

19. EAC/Exhibitor agrees to keep "No Freight Aisles" clear at all times. If GES is required to rearrange any material situated in a clearly identified "No Freight Aisle," the Exhibitor or the EAC depending upon the billing arrangements with GES will be charged a one hour minimum for forklift rental and labor.
20. EAC/Exhibitor agrees that all outbound freight bills should be turned into the service desk on a timely basis. Holding freight bills until late in the day or turning in large amounts of freight bills to the GES Servicerenter at one time may delay outbound truck scheduling and subsequently force your loading out into overtime.
21. During tear down, pull all manageable structures back from aisle carpet lines. Electronics, mannequins, etc. should be placed in the center of the booth.
22. Be aware of vehicle traffic inside and outside of the facility. All attendees should be aware of their surroundings and all individuals are solely responsible for their own safety in parking lots, driveways, access roads and non-exhibit hall areas.
23. Label empty cartons and crates for storage as soon as they are ready. Holding back on "empties" only adds congestion to the aisles.
24. For services such as electrical, plumbing, telephone, cleaning and drayage, no service provider other than the Official Service Provider will be approved. This regulation is necessary due to licensing, insurance and work done on equipment and facilities owned by parties other than the Exhibitor. Exhibitors shall provide only the material and equipment they own and those materials are to be used only in their exhibit space.
25. Smoking is prohibited in most facilities. Smoking shall only be allowed in designated areas.
26. This agreement is to be interpreted under the laws of the State of Nevada.
27. A faxed signature will serve as an original signature and will stand as a fully executed agreement once faxed to and received by GES.

Material Handling is the unloading of your exhibit materials, delivery to your booth, handling of empty containers to and from storage, and removal of your materials from your booth for reloading onto your outbound carrier. This is not to be confused with the cost to transport your exhibit material to and from the event.

### Benefits of Advance Shipping to the GES Warehouse

- Storage of materials for up to 34 days prior to your show.
- Delivery of Shipments to your booth by your published set-up time.
- Some convention centers and hotels do not have facilities for receiving or storing freight.
- Saves valuable set-up time.

### How to Ship in Advance to the GES Warehouse

- Remove all old shipping and empty storage labels.
- Fill out and attach enclosed Advance Shipping labels.
- Complete the enclosed Material Handling Order Form.
- Remember to confirm receipt of your shipment prior to leaving for the show.
- All shipments must have a bill of lading or delivery slip showing the number of pieces, weight, and type of merchandise.
- Certified weight tickets must accompany all shipments.
- Take the time to ensure that your display and products are packed neatly and securely.
- Do not ship uncrated materials to warehouse.
- For a rate quote please call GES Logistics at 1.888.454.4437.

### Freight Carriers

Select a carrier with experience in handling exhibition materials. Make sure to give your carrier explicit information as to where and when to check in. Delivery and pick up times are often out of the range of "normal" delivery hours, make sure your carrier is committed to meeting your target dates and times. While making shipping plans to the Show, also plan for the return shipment. For a rate quote please call GES Logistics at 1.888.454.4437.

### Tracking Shipments

Confirm your delivery date and time with your carrier, and have all pertinent shipping information in the hands of your representative at show site. You may also want to review the return of your Goods at the end of the show. GES Logistics domestic shipments can be tracked online by going to: [www.ges.com/everything/logistics/tracking/](http://www.ges.com/everything/logistics/tracking/).

### Estimating Material Handling Charges

Handling charges are based on the weight of the freight. Shipments are billed by the hundred weight and rounded up to the nearest hundred. Minimum per Shipment may apply, see enclosed Material Handling Order Form for details. Please prepay all shipping charges - GES cannot accept or be responsible for collect shipments. Crated and uncrated shipments must be separated and clearly identified on separate bills of lading with separate weight tickets - otherwise GES will invoice the entire load at the Uncrated rate.

- **Crated** – Material that is skidded, or is in any type of shipping container that can be unloaded at the dock with no additional handling required.
- **Uncrated** – Material that is shipped loose or pad-wrapped, and/or unskidded machinery without proper lifting bars or hooks.
- **Special Handling** - Defined as shipments that are loaded by cubic space and/or packed in such a manner as to require special handling, such as ground loading, side door loading, constricted space loading and designated piece loading or stacked shipments. Also included are mixed shipments and shipments without proper delivery receipts.
- **Overtime Surcharges** - Shows that move-in or move-out on weekends or after 4:30 PM during the weekday, may be subject to additional overtime surcharges. See enclosed Material Handling Order Form for details.
- **Late Surcharges** – May be charged an additional overtime surcharge
  - a. If advance freight is received before or after the published deadline date for shipments to arrive at the warehouse. See enclosed Material Handling Order Form for details.
  - b. Freight shipments sent to the show after it has opened.
  - c. Freight shipments that are received at showsite that do not meet their published date & time.

### Estimating Material Handling Charges, *continued*

- **Shipment Surcharges** – A surcharge will be incurred per shipment for those that are received with incomplete information on shipping labels identifying company name and booth number and/or shipments that are left on the show floor at the end of the show with no labels and no bill of lading turned in.

### Machinery Labor and Equipment

Labor and equipment for uncrating, unskidding, positioning, leveling, dismantling, recrating, and reskidding machinery and/or equipment must be ordered separately. Place your order for this labor using the In-Booth Forklift & Labor Order Form. If your material requires specialized rigging equipment, please notify us promptly so that we can make arrangements. When possible, supply your own rigging equipment with shipments and pre-rig your material.

### Storing Empty Containers

Properly labeled empty shipping cartons will be picked up, stored, and returned after the show. Labels are available at the **GES Servicenter**® or from your GES Service Executive and are for empty storage only. Depending on the size of the show, it can take from two to twelve hours to return empty crates. Do not store any items in crates marked "empty." GES has no liability for damage to crates or items sent to empty storage in crates.

### Outgoing Shipments

An OMHF (Outbound Material Handling Form / Bill of Lading) must accompany all outgoing shipments. Shipping information, outbound forms and labels will be available at the **GES Servicenter**®. Exhibitors selecting non-official carriers will need to make their own arrangements for pickup. Make sure that someone from your company will be on-site to oversee the outbound shipment of your display and product.

### Measure of Damage

- **Liability** – GES is liable for loss or damage to your Goods only if the loss or damage is caused by GES negligence.
- **Sole Relief** – If found liable for any loss, GES' sole and exclusive maximum liability for loss or damage to Customer's Goods is limited to \$.50 (USD) per pound with a maximum liability of \$100 (USD) per container, or \$1,500.00 (USD) per shipment, whichever is less.

### Insurance

All of your Goods should be insured by your own insurance policy. Although we do our best to handle your Goods as our own, there are many variables in shipping and handling that can affect your exhibit and products. GES has published GES Terms & Conditions of Contract that are in this exhibitor service manual. Please read them carefully. It is recommended that your Goods be insured.

### Work Zone

Customer acknowledges that the show site and surrounding areas are active work zones. Customer, its agents, employees and representatives are present at their own risk.

# What is "Special" Handling?

Special Handling applies to shipments that are loaded in such a manner as to require additional labor and handling to unload or load out. An additional fee beyond the standard crated rate will apply.

## Special Handling Includes:

### Ground Loading

- Vehicles that are not dock height, preventing the use of loading docks.

### Side Door Loading

- Shipments tendered for delivery in such a manner as to prevent access from the rear of the trailer.

### Constricted Space Loading

- Freight loaded "high and tight" or down one side as to make shipments not readily available.

### Designated Piece Loading

- When a trailer must be loaded in a particular sequence to ensure fit.

### Stacked, Cubed-out, or Loose Shipments

- Shipments loaded in such a manner requiring items to be removed to ground level for delivery to booth.
- Items that would need to be unstacked/stacked, unstrapped/strapped, or loadbars to be removed/installed during the unload or load out process.

### Multiple Shipments

- Shipments that are loaded mixed on the truck, failing to maintain shipment integrity and/or have multiple delivery areas.

### Mixed Shipments

- Pieces for separate shipments that are loaded mixed throughout the delivery vehicle, or shipments of crated and uncrated goods where the percentage of uncrated is minimal and does not warrant full uncrated rate for shipment.

### Improper Delivery Receipts

- Shipments that arrive without individual Bill of Lading. Possible examples might include: UPS, FedEx, company trucks, privately-owned vehicles.

### Uncrated Shipments

- Material that is shipped loose or pad-wrapped, and/or unskidded machinery without proper lifting bars or hooks.

## Special Handling Examples:

Side Door Loading

Constricted Space Loading

Stacked Shipments

### AVOIDING ADDITIONAL COSTS:

Files obtained from the internet (.jpg or .gif) or artwork created in MS Office applications (Word, Excel, PowerPoint, etc.) are often not suitable for high quality output, and often require additional hourly charges. Artwork should be created at actual size, however, for larger files i.e., banner artwork, 10% or 25% of actual size is acceptable. Scans should be no smaller than 300dpi at quarter size. To avoid additional costs associated with these file types, please supply files in accordance with the defined herein.

#### Vector Artwork

For the best quality, artwork should be created in **vector format (ai or vector eps)**. Logos taken from websites are generally gifs. **Gif files are not acceptable as they will not print clearly.** See Visual.  
 Artwork which is going to be produced in vinyl, for example; solid company logo's or text, must be supplied in a **vector format (ai or vector eps)**.  
 Artwork created in a pixel format, i.e., TIFF and JPEG is not suitable. See Visual.

#### Bitmap/Raster Artwork

**JPEG** - We accept this format but only if used to compress a file for ease of sending, the original artwork should have been created high resolution - **300dpi or vector eps to print at the best possible quality.** See Visual.  
**PDF** - These are print files only and can not be altered to fit different sizes, artwork must be set up at the correct proportion and at print ready quality. Make sure images are saved at high resolution (300dpi). See Visual.

#### Color Set Up

If your artwork is using PANTONE Colors, please supply a Pantone color reference. Some colors are more likely to be achieved, but due to printer limitations, Pantone colors are matched to the best possible interpretation for the specific output device. Hard copies such as brochures or print outs can be used as a reference for color matching.

#### Fonts

Turn all fonts into outlines or convert to paths before sending the files. If you are using a program where this is not an option, **YOU MUST INCLUDE ALL FONTS** with your files.
