

International Shipping with Adcom Worldwide-DCA

As an international freight forwarder and customs broker, **ADCOM WORLDWIDE-DCA Tradeshow Logistics** has been appointed by **ASCRS.ASOA** to handle all international freight. Our services include the shipping of international exhibits to the show, customs clearance, delivering the goods to the show decorator and re-exporting the cargo at the conclusion of the show. Our services can meet all of your international transportation needs. **The below customs clearance rates are for exhibitors who use ADCOM WORLDWIDE - DCA for "door to door service." Please contact us for transportation costs.**

Types of U.S Customs Entries

Adcom Worldwide can clear your shipment in one of three ways:

1. **Permanent Importation:** Entry is done as permanent importation for all goods that will remain in the U.S. This includes all giveaway items such as samples and brochures. Goods are subject to duty and tax as applicable. Goods may be sold, given away, returned to origin country or another US destination.
2. **Temporary Importation (T.I.B.):** Allows goods to be imported temporarily into the U.S. Any Goods imported on a temporary basis are under Customs bond and must be re-exported within one (1) year of import. No Customs duties and taxes are applicable as long as all goods on the T.I.B. are re-exported. Adcom must handle round trip shipping for Temporary Imports to ensure the bond is canceled after export. Any items that are not exported by the end of the 1 year period are subject to Customs Penalties.
3. **ATA Carnet:** Goods are imported and customs cleared by having the ATA Carnet stamped by US Customs. The ATA Carnet is stamped again upon re-export. No Customs duties and taxes are applicable.

Importer of Record: If you are a non-US based company and do not have a U.S. Federal tax ID number, you will need a Foreign Importer Assign Number. Adcom Worldwide will apply for and obtain this number on your behalf as part of our service to make the customs process as smooth and easy for you as possible.

What documents* will I need?

In order to clear the goods, we will need the following documents*:

1. **Commercial Invoice** in English giving full description and value for each item contained in the shipment. The invoice should be issued to your company c/o the exhibition. Complete separate invoices for temporary and permanent goods. *Commercial invoices **must be signed** and include a total value.*
2. **Packing List** giving weight and dimensions of each package. This information may be included on your commercial invoice. *Goods that are on skids should include piece count on each skid.*
3. **POA:** Signed Adcom Worldwide Power of Attorney to give us authority to make customs entry and file any AES export declarations as needed.
4. Additional documents may be necessary depending on the commodities being shipped. Please contact Adcom for more details.
5. It is important we receive your documents 2 days prior to shipping to ensure no delays. You may fax documents to 703-684-3925 or email dca-intl@adcomworldwide.com.
6. Express Ocean Bill of Lading or original Air waybills. These documents provided by Adcom Worldwide when door to door services used.
