

SECURITY TIPS

Show Management shares your concern for the security of your products and has taken steps to ensure a safe, secure environment for all exhibitors. Show Management will provide perimeter security for the duration of the show and additional security during move-in and move-out to be stationed at primary freight entrances. However, Show Management cannot provide security for each and every booth on the show floor and is not responsible for any theft or damage to product or displays.

Therefore, private booth security is available and can be ordered for your booth. Please contact Show Management if you require additional security or fill out the Booth Watch Order Form located in the Utilities and Additional Services section of this manual. In the meantime, we recommend you take the following precautions:

- **OBTAIN INSURANCE**, which includes a rider to your existing insurance policy to protect your entire exhibit and product from the time they leave your warehouse until they return.
- Do not mark the contents of the package on the cartons or crates.
- Do not store products in “EMPTY CARTONS”.
- Ship products in locked cages or trunks when possible to the correct address listed in the GES Section of the service kit.
- Make a complete list of all products shipped, listing model #'s and serial #'s, whenever possible.
- Mount or attach products to your display whenever possible.
- Secure your staff's personal property, briefcases, coats, cameras, purses, etc., at all times. (Move-in/out is the most vulnerable time.)
- Stay with your products on closing day until your products are securely packed and marked for shipment. Make outbound shipping arrangements in advance of the close of the show at the *GES Service Desk* on-site.
- Inform your staff members working in your booth of the rules regarding removal of merchandise from the show.
- Do not sell, give away, or trade merchandise during or after the show. Re-crate the product and return it with your display.
- Don't wait until the end of the show to inform management of damage or theft. Contact security and/or show management on-site immediately.

*Show Management is not responsible for any theft or damage to product or booth, but we do want you to have a safe, enjoyable and profitable show.
Please help us to help you maintain a secure environment for your exhibit.*
