

## **2018 AUSA ANNUAL MEETING EXHIBITOR SERVICES MANUAL**

## **DIRECT FREIGHT PROCEDURES & SCHEDULE**

Listed on the following page are the **Direct Freight Schedules** for shipments consigned directly to GES at the Walter E. Washington DC Convention Center. Any exhibitor not arriving on schedule will cause considerable inconvenience for other exhibitors and may be delayed in unloading or loading, as well as incurring additional charges. A **50% OFF TARGET SURCHARGE** will be applied to all off-target deliveries above and beyond the material handling rate.

Please inform your designated carrier of these critical time schedules.

**All drivers with direct Convention Center shipments MUST first report, IN PERSON, to the marshaling yard in order to check-in.**

**The GES Marshaling Yard will be located at:**

**2145 Brightseat Rd.**

**Landover, MD 20785**

Any vehicles, including personal vehicles, company vans or company trucks, that attempt to report directly to the Convention Center will be rerouted to the marshaling yard and put at the end of the line. Traffic control problems and a lack of parking spaces around the convention center area necessitate utilization of this dispatching system.

**It is important that you return the "Freight Service Questionnaire" to GES by 24 August 2018.** Any scheduling questions should be directed to [AUSA@ges.com](mailto:AUSA@ges.com).
