Advance Warehouse freight will be delivered to your booth by your targeted installation time.

Listed on this page are the procedures for Warehouse Freight shipments consigned to GES Global Experience Specialists. Please inform your haulers and drivers of these critical time schedules. Also note that uncrated and pad-wrapped shipments will NOT be accepted as advance freight at the GES warehouse.

**It is important that you return the "Freight Service Questionnaire" to GES via fax to 702-260-5765 by 24 August 2018. Any scheduling questions should be directed to AUSA@ges.com**
