Show Rules and Regulations

I. SHOW PURPOSE

1. Sponsorship and Management: The show is produced and is the property of the Juvenile Products Manufacturers Association hereinafter referred to as JPMA. JPMA will provide all show management functions and establish all show policies.
2. Purpose: The purpose of the show is to promote and stimulate interest in and demand for the products of the members of JPMA and the juvenile industry.

It shall be the obligation of show management to meet first the needs of those JPMA members who consistently serve the industry and JPMA by support of its programs and its activities. This is not to limit participation by other members of the juvenile industry whose priorities shall be addressed after the primary obligation is met.

3. Who May Exhibit?

Manufacturers: The show is designed for display and demonstration of infant and children's furniture, bedding, accessories, nursery products and infant toys. Exhibitors must be engaged in the manufacture, importation, or distribution of juvenile products for general sale to distribution channels and have products in its line(s), other than clothing or toys, which are expressly manufactured for children under 18 months of age. Exhibiting companies shall not be **primarily** engaged in retailing, wholesaling or sales representation of juvenile products. Companies based outside the U.S. may exhibit products, which only they import into the United States.

Licensors: Any organization, which has licenses with companies, as outlined above may occupy exhibit space under the following conditions:

- Must comply with all rules and regulations;
- Exhibit only to promote "brand" or "character" awareness;
- Upon submission of exhibit contract, licensors must provide JPMA with a complete list of manufacturer/products, which will be shown.

Publications: Any publication pertinent to the juvenile industry may occupy exhibit space.

Suppliers: Any organization that manufactures, distributes or supplies products and/or services pertinent to the juvenile products industry, manufacturing or the operation of retail establishments such as (but not limited to) software, shelving, displayed, etc. may exhibit. Exhibiting suppliers may be restricted to choosing a booth space in a particular area of the show floor designated by show management.

II. SPACE ASSIGNMENT AND SELECTION

1. Allocation Procedure: All booth assignments will be at the discretion of show management with consideration for the best interests of the show and fairness to exhibitors. Criteria affecting booth allocation may include, but are not limited to, JPMA membership status, size of booth, timing of contract and/or deposit received, historical attendance at JPMA Baby Shows and product categories represented.

JPMA reserves the right to establish a minimum and maximum amount of space each exhibitor may occupy. Space will be assigned based on requests made for this show, the amount of space requested as well as length of membership in JPMA.

Members in Good Standing: No company owing any outstanding balance to JPMA for dues, fees, or show related activities will be considered a member in good standing until after all outstanding balances have been paid.

2. Additional Space: JPMA reserves the right to add additional exhibit space to the show at any time. In doing so, members will be advised first that this additional option is available to them. All others would then have the option to review this alternative space. If a company moves or downsizes space after it has been assigned, a transition fee may apply.

III. PAYMENT OBLIGATIONS

1. Space Rental Fee: For JPMA members contracting space during the early registration period, a deposit equal to 25% of the total cost of the space, net of any application JPMA member discounts for members in good standing, will be due by July 31, 2017. Space reservations are conditioned upon receipt of the deposit. An additional 25% will be due September 30, 2017. The remaining balance will be due December 30, 2017. Applicable JPMA member discounts related to the show are conditioned upon 2017 membership dues being paid in full and the member being in good standing as of February 1, 2018.

For exhibitors, both JPMA members and non-members, who contract exhibit space on or after September 30, 2017, a deposit equal to 50% of the total cost of the space, net any applicable JPMA member discounts, will be due immediately. Space reservations are conditioned upon receipt of the deposit. The remaining balance will be due December 31, 2017. Applicable JPMA member discounts related to the show are conditioned upon 2017 membership dues being paid in full and the member being in good standing as of February 1, 2018.

All payments should be made to:

Attention: JPMA Baby Show
1120 Route 73
Suite 200
Mount Laurel, NJ 08054

Payments may be made by check payable to Juvenile Products Manufacturers Association drawn on a U.S. Bank in U.S. dollars, wire transfer, ACH or credit card.

Exhibitors not paid in full will not be permitted to set up their booths and JPMA has the right to resell the space.

2. Exhibit Space Fee Schedule: Booth fees for exhibit space may be found in exhibitor promotional information. These fees have been established to make participation in the show available to the greatest number of eligible companies and to contribute to the maximum potential for exposure of each exhibitor without undue excessive cost on any particular exhibitor or exhibitors. The booth fee schedule is not to be interpreted as an indication of special interests on the part of JPMA or its member companies. JPMA reserves the right to modify fees until the time an exhibitor is contracted and has paid the initial deposit.
3. Included in Fees: The cost of exhibit space rental includes exhibit booth space and personnel badges, as contracted, for both the trade and consumer portions of the show, access to conference programming, attendance promotion and publicity; one show directory listing (except in case of late assignments occurring after directory deadline date); the opportunity to purchase advertising in the show directory (with exception noted above); access to the online exhibitor services manual; an official show sign for placement inside the show space; maintenance of the show halls and common areas; building security; general illumination, heat and water; attendance roster; registration personnel; and a copy of the show directory.

4. Payment Information: All monies must be paid in U.S. dollars drawn on a U.S. bank, by credit card or by wire transfer. Checks should be made payable to JPMA. For complete information on ACH or wire payments, contact JPMA.
5. Accuracy of Information: JPMA certifies to the best of its knowledge exhibit space information and measurements are accurate per information provided by the Walter E. Washington Convention Center or its agents. JPMA will not be responsible for discrepancies.

IV. SHARED EXHIBIT SPACE

1. Joint Occupancy: Exhibitors are allowed to share one booth space providing the following:
 - a. There is a limit of 2 companies that are allowed to share one space.
 - b. The shared space must be a minimum of 300 square feet.
 - c. Each participating company must complete, sign and submit an exhibit contract agreeing to all rules and regulations.
 - d. Participating exhibitors must coordinate the space rental payment amongst themselves so that only one payment is made to JPMA for the actual room rental charge. If one exhibitor fails to fulfill the contract, penalties and restitution requirements will apply to both exhibitors.
 - e. Each participating exhibitor will receive individual exhibitor manuals. However, they must coordinate the submission of booth order forms amongst themselves to avoid any duplicate orders and charges.

Each participating exhibitor deciding to share a booth in the above manner will receive an individual Trade Show Directory Listing. If either of the participating companies is a non-member, no JPMA Show-related member discounts will be available.

2. Use of Another Exhibitor's Products: An exhibitor may show the products of another exhibitor solely for the purpose of enhancing the primary display of his own products. Any exhibitor using such products in its display shall have permission from the other exhibiting manufacturer. This would differ from "joint occupancy" in that the items used for display enhancement cannot be sold and representatives from the exhibiting company supplying the items cannot be present in the booth.
3. Penalty for Sublet: Any exhibitor found to be subletting or sharing their space with another company that has not followed all the rules outlined in the "joint occupancy" section, including but not limited to paying their own participation fee, shall be expelled from the show and both leaser and lessee shall be subject to denial of opportunity to exhibit at future shows and/or fines.

V. CANCELLATION OR WITHDRAW

An exhibitor may cancel or withdraw from the show subject to the following conditions and restrictions:

1. The exhibitor shall give show management notice in writing of his intention to cancel or withdraw from the show regardless of the timing of the cancellation.
2. In the event the notice is received on or after September 30, 2017, the exhibitor agrees to pay a cancellation charge of 50% of all exhibit space rental fees.
3. In the event notice is received on or after December 31, 2017, the exhibitor agrees to pay a cancellation charge of 100% of all exhibit space rental fees.
4. Any cancellation shall mean forfeiture of the option to reserve that same space when assignments are made for the next show, if applicable.

Failure to comply with any of the financial obligations listed above shall make the exhibitor ineligible for future JPMA Baby Shows.

VI. DEFAULT OF OCCUPANCY

An exhibitor failing to occupy, for all or a portion of the official show hours, an exhibit space contracted for is obligated to pay the full cost of such space. In this event, JPMA shall have the right to use space to suit its own convenience, including selling the exhibit space to another exhibitor without any rebate or allowance to the defaulting exhibitor. JPMA assumes no responsibility for having included or excluded the defaulting exhibitor or descriptions of his products in the show directory, brochures, news releases or other materials. Exhibitors requesting a religious observance exception to the foregoing must do so in writing prior to the assignment of booth space.

VII. PROMOTIONS AND ACTIVITIES OUTSIDE CONTRACTED EXHIBIT SPACE

1. Promotion Permitted in Show Area Only: Exhibitor agrees, subject to expulsion from the show, not to take advantage of the show to exhibit products, or to promote or otherwise exploit the company, products, or product name(s) during the period of the show except within that company's exhibit space in the JPMA Baby Show exhibit area of the Walter E. Washington Convention Center unless the exhibitor has received specific written permission from JPMA Baby Show. Permission for promotion other than in the exhibitor's exhibit space will be at the prerogative of JPMA Baby Show Management and granted only for extenuating circumstances which satisfy the mutual needs of JPMA, the exhibitor and other exhibitors. Violators will be subject to being ruled ineligible for future shows.
2. Visitor Entertainment: Exhibitor agrees not to entertain visitors during show hours in a rented function room or to otherwise induce visitors away from the show. Requests will not be granted by JPMA for hospitality suites or transportation or conveyances encouraging buyers to leave the main show areas during show hours or JPMA hosted events.
3. Outboarding: "Outboarding" occurs when a company that is eligible to exhibit at the show does not exhibit, but host buyers at a venue away from the show during set-up days or show days. Companies that engage in outboarding may be prohibited from exhibiting at future shows.

The following booth display rules are typical for U.S. Trade Shows and Convention Halls. However, regulations vary by convention center and even within show halls. Contact show management for specific regulations.
 - a. **Standard Linear Booths** – definition: one or more standard booths in a straight line. Height regulation - the maximum height for merchandise and/or display fixtures placed in the back 50% of the booth is 8 ft. 3 in. (2.5 m). Merchandise and/or display fixtures placed in the front 50% of the

booth may not exceed 4 ft. (1.22 m) in height within 10 ft. (3.05 m) of adjoining booth. Hanging signs are not permitted over standard/linear booths.

- b. **Corner Booth** is a Linear Booth at the end of a series of in-line booths with exposure to intersecting aisles on two sides. All other guidelines for Linear Booths apply.
 - c. **Perimeter Wall Linear Booths** – definition: one or more standard booths located on the perimeter wall of the exhibit floor. Height regulation – the maximum height for merchandise and/or display fixtures placed in the back 50% of the booth is 12 ft. (3.66 m) or 20 ft. if booth includes hanging signage. Merchandise and/or display fixtures placed in the front 50% of the booth may not exceed 4 ft. (1.22 m) in height within 10 ft. (3.05 m) of adjoining booth. Dimensions: A **Peninsula Booth** is usually 20 ft. by 20 ft. (6.10 m by 6.10 m) or larger. When a Peninsula Booth backs up to two Linear Booths, the back wall is restricted to 4 ft. (1.22 m) high within 5 ft. (1.52 m) of each aisle, permitting adequate line of sight for the adjoining Linear Booths. A typical maximum height range allowance is 16 ft. to 20 ft. (4.88 m to 6.10 m), including signage for the center portion of the back wall. Double-sided signs, logos and graphics shall be set back 10 ft. (3.05 m) from adjacent booths. A **Split Island Booth** is a Peninsula Booth which shares a common back wall with another Peninsula Booth. The entire cubic content of this booth may be used, up to the maximum allowable height, without any back wall Line-of-Sight restrictions. A typical maximum height range allowance is 16 ft. to 20 ft. (4.88 m to 6.10 m), including signage. The entire cubic content of the space may be used up to the maximum allowable height. Double-sided signs, logos and graphics shall be set back 10 ft. (3.05 m) from adjacent booths.
 - e. **End-Cap Booths** – configuration is essentially an in-line (linear) booth placed in the position of a Peninsula or Split Island. Dimensions: End-Cap Booths are generally 10 ft. (3.05 m) deep by 20 ft. (6.10 m) wide. The maximum back wall height allowed is 8 ft. (2.44 m) and the maximum back-wall width allowed is 10 ft. (3.05 m) at the center of the back-wall with a maximum 5 ft. (1.52 m) height on the two side aisles. Within 5 ft. of the 2 side aisles, the maximum height for any display materials is 4 ft. (1.22 m).
 - f. **Island Booths** – definition: an exhibit with at least four or more standard booths back to back (i.e. 20 ft. by 20 ft.) with aisles on all four sides. Height regulations – the maximum height for merchandise and/or display fixtures is 12 ft. (3.66 m) or 20 ft. if the booth includes hanging signage.
2. **Space Allowed:** All exhibitors shall arrange their displays within the confines of the contracted exhibit space. This regulation shall apply at all times during setup, show hours and dismantling.
 3. **Appearance and Maintenance:** All displays must recognize the rights of other exhibitors and show visitors and conform to the overall pattern developed by show management. No exhibitor shall present an unfinished, curtained or unsightly display within view of any other exhibit space or aisle way.

Use of table drapes will be permitted except for areas designated by show management.

Exhibitors are responsible for cleaning and maintaining their exhibit area, including removal of excessive amounts of trash or waste materials during show hours. Trash removal is provided after show hours for all trash placed in designated areas. This may not be construed as permission to place trash outside exhibit space during show hours or setup.

4. Freestanding Displays: All exhibits are to be free standing. Display boards and shelving are available for rental from the show decorator and maybe used with specific conditions.
5. Exhibit Space Usage: Contracted exhibit space does not include walls or ceilings.

7. Video and Sound Systems: The use of video will be permitted subject to approval by, and the control of, show management. Plans for all projections must be submitted to show management at least 30 days prior to the show. Show management reserves the right to curtail any sound systems. Machines, which create excessive noise, making normal conversation in neighboring show spaces difficult, may, at the discretion of show management, be restricted to periodic operation. Exhibitor assumes responsibility for compliance with union requirements relating to projection equipment and sound systems.
8. Music: JPMA has not obtained a music license authorizing the performance of either live or recorded music on the meeting's premises. As a condition of JPMA's acceptance of the exhibitor's application, exhibitor hereby warrants and presents that no copyrighted music will be performed, either live or recorded, at the direction of the exhibitor floor or in company leased rooms during the meeting dates unless the exhibitor has obtained permission from the copyright owner for such use. All copyright fees applicable to music or entertainment used as part of an exhibit are the full responsibility of the exhibitor. The exhibitor must make payment of the fees directly to the applicable copyright agency. Should the exhibitor violate the provision, the exhibitor agrees to indemnify, save, hold harmless, defend and bear all expenses as they are incurred by JPMA and its respective directors, officers, agents, employees, and each of them, from and against any and all claims, costs and expenses (including legal fees and expenses), demands, actions, and liabilities of every kind and character whatsoever with respect to the unauthorized use of copyrighted music.
9. Signs: Each exhibit space must display a sign indicating name of exhibiting company. The official show sign (included in the participation fee for each exhibitor's space) is hung by JPMA prior to show. Any additional signage will be provided at exhibitor's expense. Under no circumstances shall any signage or promotional item or activity be placed in the halls or in any place outside the specifically assigned exhibit space. No Walter E. Washington Convention Center, JPMA, or Family Media LLC logos shall be moved at any time except by JPMA Baby Show or Walter E. Exhibitors who purchase supplemental listings in the Official Show Directory may request such names to be included on the official show sign at no extra charge.

Electronic signs are permitted by requesting approval by show management one month prior to show move-in.

Exhibitors with space 2,200 sq. ft. or larger must have two cleared entrances and exits for Fire Marshall Approval. Exit signs to be hung above doorways will be provided on-site by Walter E. Washington Convention Center.

10. Approval: All exhibitors are required to submit their plans in writing for advance approval by show management if such plans include the use of unusual effects or methods of presentation of the product. Advance approval for any unusual exhibit effects must be requested in writing at least 30 days prior to the show. The JPMA Baby Show reserves the right to rule any product or display as inappropriate for the show, either in advance or during the show.
11. Americans with Disabilities Act: Exhibiting companies are responsible for making booths accessible to persons with disabilities as required by the Americans with Disabilities Act and shall hold JPMA harmless from any consequences of exhibiting company's failure in this regard.

Washington Convention Center in which mothers may feed their babies in a clean, comfortable environment. Mothers are encouraged to take advantage of this lounge, which is free from the crowds of the busy show floor.

Although it is not recommended for safety reasons, if necessary, breastfeeding mothers will be permitted to bring their babies on the show floor only if the following guidelines are adhered to:

- Releases covering the General Services Provider, JPMA, Family Media LLC and the Walter E. Washington Convention Center must be signed by the mother/parents, which releases the General Services Provider, JPMA, Family Media LLC and the Walter E. Washington Convention Center from all liability.
- Upon arrival and prior to visiting the JPMA Baby Show in order for arrangements to be made.

Above all, the Walter E. Washington Convention Center, JPMA, Family Media LLC and our General Services Provider's main concern is safety, and parents should be aware of the hazards that can be present on the show floor if they plan to bring their baby on to the floor. Such hazards are freight movement via large dollies or forklifts, unsecure displays and large crowds that may not be mindful of the presence of an infant.

Children and/or infants will not be allowed access to the show floor for any other reason than that described above. Under no circumstances, even those described above, will personal strollers be permitted on the show floor during trade show days/hours.

They entitle the individual access to the exhibitor's exhibit space during all hours of set-up, show and dismantling. An individual may have only one exhibitor badge containing the name of only one exhibiting company. Manufacturers' representatives who represent more than one manufacturer may register as such and receive an admission badge.

Any individual under contract to sell or service more than one company's line of products should be registered as a Manufacturers' Representative. On-site registration begins at 9:00 am. Manufacturers' Representatives will be permitted to work in any exhibit space for an exhibitor whom they represent and will be permitted to circulate between exhibit spaces. A properly identified Manufacturers' Representative, wearing the appropriate badge admission, will be permitted to show areas any time show exhibitors are permitted in those areas.
