## Booth Layout Instructions

Please submit this Booth Customization sheet with your booth order to confirm proper setup. Indicate the location of the panel at which the shelves will be installed. Shelves are installed on the backwall at standard heights of 48" and 72" from the floor. Please indicate if you need the shelves installed at specific heights, using distance in inches from the floor for each shelf.

Design changes received after May 22, 2019 will incur labor charges.

All requests to move or remove shelves after this date will incur labor charges.

## Shelf Placement

Indicate the location of the panel at which the shelves will be installed with the letter code from Shelf Placement Order Form.

## Panel Color Options:

Please select from the following options to customize your booth. Wood grain panel is the default if another option is not indicated. (The following four colors are available at no extra charge.)

- WG = Wood Grain  
  GY = Grey  
  BK = Black  
  WH = White
