engage › empower › excel ›

Dear Exhibitors,

On behalf of the American Osteopathic Association, we extend our gratitude to you for choosing to be part of OMED19 in Baltimore, MD. The AOA and SPARGO values the relationship with you and continues to look for ways to enhance OMED to better serve you.

We have selected the theme for OMED19 **“Engage, Empower, Excel”**. As you plan your time in Baltimore, think about why you are here as you interact with the osteopathic physicians, their staff and families.

**Exciting Happenings for 2019 include:**

- **New Meeting Pattern:** OMED is now Friday thru Monday with the Exhibit hall opened Saturday - Monday. We've listened to your feedback and have adjusted the exhibit hall hours.
- **OMED Central**, the “HUB” of the exhibit floor where attendees will meet and gather.
  - TED-style Talks, Student Mentoring and Education, Charging and Relaxing Stations and Wellness Area.
- **Exhibitor Updates** will be sent once a month.

As you review this service manual, you may have questions. Please feel free to contact the AOA or SPARGO team who are ready to assist you in planning a successful presence at OMED19 this October in Baltimore, MD. We look forward to working with you!
