For best results please download and save this Acrobat form to your desktop and use Adobe Acrobat ("Reader" is fine) to open and input your order.

Although you can open Acrobat forms in some browsers they might not afford you the capability of completing the fields properly. Similarly, other viewers (such as Apple's Preview) may not allow you to complete and save the form.

If you have difficulty with the fill-in form you can certainly request the standard version – simply print, complete and then scan/email or fax to us. To request this form please email exhibits@datasis.com and let us know the event name, your company name and booth number.

Please contact us if you have any difficulties, questions or concerns. We look forward to serving you!
