

Dear AUSA Exhibitors:

Welcome to the 2025 AUSA Annual Meeting & Exposition. This is a momentous year. We are celebrating the **Army's 250th Birthday** and **AUSA's 75th Anniversary**. Once again, all exhibit space will be held in the entire convention center located on both levels in Exhibit Halls A, B, C, D & E.

The Marriott Marquis will serve as the Annual Meeting headquarters hotel and is located across the street from the Walter E. Washington Convention Center. It is connected to the Center by an underground walkway.

This year's event will provide numerous opportunities for professional development with three full days of educational programming, 400+ displays in the exhibit halls, and an anticipation of over 700 exhibitors.

This exhibitor service kit contains information, forms and other documents to assist you during the planning stages of your participation in the event. Please take the time to review **all** the information included but pay special attention to the **Rules & Regulations** and **Important Deadlines** to keep you on track as well as help to save money.

Target move-in / Delayed move-in of Halls D-E on Wednesday

A full list of key contacts for AUSA, GES and other official show providers can be found in the **Show Information** section of this kit.

We look forward to welcoming you to Washington, DC in October. Thank you for your continued support of AUSA and the men and women of the U.S. Army.

The Exhibits Team
