Customs Clearance & Transportation Services

TWI Group Inc. has been appointed by SME as the Official Customs Broker & Transportation Provider for all shipments originating outside of Canada. Using the official broker will eliminate the possibility of materials being held at the border by Canada Border Services Agency (Canada Customs) due to improper or insufficient documentation resulting in these same materials arriving too late or not at all. We will assist all Exhibitors with their temporary imports, permanent entries & export of Exhibit Materials.

Please Note: Exhibitors using their own broker will have to arrange their own bond or cash deposit with Canada Customs at the point of entry into Canada.

TWI Group Inc. will provide the following services:

- Provide on-site service from the first move-in day to the last move-out day
- Post all securities and bonds with Canadian Border Services Agency
- Prepare the proper Customs entries to account for any sales you may make & remit the payments to Customs
- Prepare outbound export documents, bills of lading and provide US Customs Clearance when required as well as providing shipping labels
