

## TOPS+ 2017 Toronto Helium Authorization

Any supplier using helium balloons must ensure that the balloons are secured and will not be released in the ballroom. The ceilings in the Beanfield Centre ballroom are 30' high, and any balloon that escapes will be retrieved by the facility via the use of a lift. The cost of operating the lift is **\$77 per hour**, and is charged at a minimum of **4 hours** (total cost to retrieve balloons is **\$308+ tax**). Any supplier whose balloons escape and require retrieving will be rebilled \$308+ tax by the PPPC after the event.
