

CANADIAN MANUFACTURING
TECHNOLOGY SHOW

COMPLIMENTARY BOOTH DRAPERY

All exhibitors with in-line or peninsula booths can receive complimentary drapery (black) for the back and sides of their exhibit space. To ensure that the correct requirements are met for your booth, this form must be submitted by **August 28, 2017** to confirm your order.

On-site orders for drapes may be subject to a \$50.00 surcharge, depending on availability.

Additional requirements such as drapery used to protect machines or enclose booths, are the responsibility and cost of the exhibitor and must be ordered directly through GES Canada by using the correct GES Canada order form.

**Standard drape colour for
Canadian Manufacturing Technology Show 2017 is Black**

Check ONE of the following:

- NO, we do not require draping for our booth
- YES, we require 8' high back drape and rails only
- YES, we require 3' high side drape and rails only (max. of 12 ft. of side rail only)
- YES, we require BOTH 8' high back drape AND 3' high side drape
