Dear Exhibitor,

We are pleased that GES Global Experience Specialists has been selected as your Official Service Contractor for:

DINO MIGNON KIDS' FASHION EXPO 2017

We strive to offer you the best possible service to facilitate a successful show experience. Please review this manual carefully. It contains information and order forms for each of the many services offered by GES Global Experience Specialists. In order to provide efficient service for you it is most important that you return these forms to us promptly.

By placing your orders in advance. You can **have a valuable rebate** on most decorating items. Advance orders also make for a smoother, more efficient move-in avoiding unnecessary waits, the possibility of selecting a sold out item and showsite delivery delays.

To qualify for discount prices, orders must be received in our office on or before the deadline date on the order forms. Please be sure to reference each order form as deadline dates may vary. GES Global Experience Specialists requires payment in full at the time services are ordered. For your convenience, we require that you provide a credit card authorization with your initial order. This may be used to charge labour and material handling services not covered in your advance order. We accept Visa, Mastercard, American Express, as well as cheques. **Please note that onsite pricing will include a premium.**

We realize that exhibiting in a tradeshow can be complicated. If you need assistance with your orders or additional information, please call our offices at 514-861-9694 from Monday to Friday from 8:30am until 4:30pm and ask to speak to a Customer Service Representative (CSR). In addition, our GES Global Experience Specialists Servicecentre staff will be available throughout the show to assist you.

Thank you in advance for your valued business. We look forward to serving you and wish you a successful event.

Save time, order online.

Place orders and manage your budget in one place.

Material Handling is the unloading of your exhibit materials, delivery to your booth, handling of empty containers to and from storage, and removal of your materials from your booth for reloading onto your outbound carrier. This is not to be confused with the cost to transport your exhibit material to and from the event.

Benefits of Advance Shipping to the GES Global Experience Specialists Warehouse

- Storage of materials for up to 15 days prior to your show.
- Delivery of shipments to your booth on your first day of move-in (schedule permitting).
- Some convention centres and hotels do not have facilities for receiving or storing freight.
- Saves valuable set-up time.

How to ship in Advance to the GES Global Experience Specialists Warehouse

- Remove all old shipping and empty storage labels.
- Fill out and attach enclosed Advance Shipping Labels.
- Complete the enclosed Advance Material Handling order form.
- All shipments must have a bill of lading or delivery slip showing the number of pieces, weight, and type of merchandise.
- Take the time to ensure that your display and products are packed neatly and securely.
- Do not ship uncrated materials to the warehouse.
- Please note that when utilizing a ground carrier other than the official, U.S. shipments will require customs clearance before delivery to the advance warehouse. Clearance delays may occur.

How to Ship to Exhibit Site

- Consign all shipments c/o GES Global Experience Specialists.
- Remove all old shipping and empty storage labels.
- Fill out and attach enclosed Direct Shipping labels.
- All shipments must have a bill of lading or delivery slip showing the number of pieces, weight, and type of merchandise.
- Take the time to ensure that your display and products are packed neatly and securely.
- If you are shipping your carpet and/or lighting trusses, make sure it is loaded last so it can be unloaded first.

Freight Carriers

Select a carrier with experience in handling exhibition materials. Make sure to give your carrier explicit information as to where and when to check-in. Delivery and pick up times are often out of the range of "normal" delivery hours, make sure your carrier is committed to meeting your target dates and times. While making shipping plans to the show, also plan for the return shipment.

Tracking Shipments

Confirm your delivery date and time with your carrier, and have all pertinent shipping information in the hands of your representative at showsite. You may also want to review the return of your goods at the end of the show.

Estimating Material Handling Charges

Handling charges are based on the weight of the freight. Shipments are billed by the hundredweight and rounded up to the nearest hundred. A minimum per shipment may apply, see enclosed Material Handling Order Form for details. Please prepay all shipping charges - GES Global Experience Specialists cannot accept or be responsible for collect shipments. Crated and uncrated shipments must be separated and clearly identified on your bill of lading.

- **Crated** - Material that is skidded or is any type of shipping container that can be unloaded at the dock with no additional handling required.
- **Uncrated** - Material that is shipped loose or pad-wrapped and/or unskidded machinery without proper lifting bars or hooks.
- **Special Handling** - Defined as shipments that are loaded by cubic space and/or packed in such a manner as to require special handling, such as ground loading, side door loading, constricted space loading, and designated piece loading or stacked shipments. Also included are mixed shipments and shipments without proper delivery receipts.

• **Overtime Surcharges** - Shows that move-in or move-out on weekends or late in the day may be subject to overtime surcharges. See enclosed Material Handling Order Form for details.

• **Late Surcharges** - A surcharge may apply if advance freight is received after the published deadline date for shipments to arrive at the warehouse. See enclosed Material Handling Order Form for details.

Storing Empty Containers

Properly labeled empty shipping cartons will be picked up, stored and returned after the show. Labels are available at the **GES Global Experience Specialists Servicentre** of from your GES Global Experience Specialists Service Representative and are for empty storage only. Depending on the size of the show, it can take from one (1) to four (4) hours to return empty crates. Do not store any items in crates marked empty.

Forced Freight

Shipments left on-site after dismantle hours will be transferred to a storage warehouse. Charges relating to such shipping and handling will be charged to the exhibitor.

Outgoing Shipments

An OMHF (Outbound Material Handling Form / Bill of Lading) must accompany all outgoing shipments. Shipping information, outbound forms and labels will be available at the **GES Global Experience Specialists Servicentre**. Exhibitors selecting non-official carriers will need to make their own arrangements for pickup. Make sure that someone from your company will be on-site to oversee the outbound shipment of your display and product.

Machinery, Labour and Equipment

Labour and equipment for uncrating, unskidding, positioning, leveling, dismantling, recrating, and reskidding machinery and/or equipment must be ordered separately. Place your order for this using the In-Booth Forklift and Labour Order Form. If your material requires specialized rigging equipment, please notify us promptly so that we can make arrangements. When possible supply your own rigging equipment with shipments and pre-rig your material.

Insurance

All of your goods should be insured by your own insurance policy. Although we do our best to handle your goods as our own, there are many variables in shipping and handling that can affect your exhibit and products. GES Global Experience Specialists has published GES Global Experience Specialists Terms & Conditions of Contract that are in your exhibitor service manual. Please read them carefully. It is recommended that your goods be insured.
