Border to Show Off-Site Service Granted

Dear Mrs. Iatauro,

In response to your correspondence dated October 30th 2017; the Canada Border Services Agency (CBSA) - International Events and Convention Services Program (IECSP) officially recognize the following event:

The RoboCup International 2018 Montréal Competition & Symposium

June 17th – June 22nd, 2018

**Palais des congrès
Montreal, Quebec**

(Move-in: June 15th 2018 ; Move-out: June 22nd 2018)

The information provided to the CBSA states there will be approximately 30,000 attendees to which 25 % are foreign to Canada and that the event is open to the general public with no sales of imported goods.

We are pleased to inform you that the Border to Show off-site service, as outlined in the CBSA Departmental memorandum D8-1-2 has been granted for this event.

As outlined in your correspondence, this event is expecting approximately 925 foreign exhibitors who are importing: robots and technology equipment such as motors, batteries, electrical circuits, lighting and microprocessors for use at the event as well as promotional items such as pens, brochures, mugs, Lego items and educational brochures.

It should be noted that, non-Canadian exhibitors may import display items and exhibit booths temporarily as outlined in the provisions of tariff classification 9993.00.00.00 duty free, on the condition that the goods will be exported from Canada upon the completion of the event.

Goods imported for sale are not eligible under tariff No. 9993.00.00.00. These goods must be accounted for at time of release on a Form B3, Canada Customs Coding Form. Commercial release processing is fully explained in Customs Memorandum D17-1-5.

Under certain circumstances, the CBSA will require a security deposit on goods temporarily imported to Canada. These goods are normally documented on the Temporary Admission Permit (Form E29B).

At the time of exportation, goods granted temporary admission on a Form E29B or Carnet must be presented along with importer's/owner's copies of the appropriate documentation to CBSA for verification and certification. This presentation may occur at a CBSA office inland or at the port of export, depending on the circumstances involved and is necessary for you to receive a refund of any securities posted. Please note that the refund is not immediate.

Consultexpo Event Services has been designated as the official customs broker for this event. If you have any questions regarding importing meeting materials into Canada or if you wish to inquire as to the brokerage services provided, ***please contact Diane Labbé at: 514-482-8886 ext. 2.***

CBSA requires everyone seeking admission into Canada to properly declare themselves to CBSA by providing accurate identification. CBSA will accept a valid passport as proof of citizenship.

Persons who have been convicted of any criminal offences may be inadmissible to Canada. For more information please visit: <http://www.cic.gc.ca/english/information/inadmissibility/index.asp>

If you have attendees from visa-requiring countries (<http://www.cic.gc.ca/english/visit/visas.asp>), please contact the Special Events Unit of Citizenship and Immigration Canada (CIC) at special.events@cic.gc.ca with the specifics of your event. They will assess the visa requirements of your event.

Visa-exempt foreign nationals, excluding U.S. citizens, now require an Electronic Travel Authorization (eTA) to fly or transit through Canada. For more information please visit: www.cic.gc.ca/english/visit/eta-start.asp

Foreign nationals may engage in exhibiting, selling or displaying goods without a work permit provided they are not selling to the general public. Direct sales to the general public require a work permit. For more information please visit: <http://www.cic.gc.ca/english/work/index.asp>

To facilitate border procedures it is recommended that exhibitors, carriers, all organizations, attendees be provided a copy of this letter for presentation to a CBSA Border Services Officer upon their arrival to Canada.

In conjunction with the presentation of this Recognition Letter, an itemized list of goods including a description, country of origin, quantity and value is required for presentation to CBSA. If your event materials will be imported by a commercial carrier or courier service, a copy of this letter should also be attached to any shipping documents.

Please do not hesitate to contact the undersigned if you have any questions or require additional information.

Sincerely,

Francine Picard
