EXHIBIT INSTALLATION AND REMOVAL

CECA Management reserves the right to fix the time for the installation of a booth prior to the Show opening and for its removal after the conclusion of the Show. Installation of all exhibits must be fully completed by the opening time of the exposition. Exhibits must be staffed during all Show hours and may not, to any extent, be dismantled before the Show closing. Any early dismantling or packing not previously coordinated shall be considered a breach of this policy and may affect future applications.

Should an exhibiting supplier require special consideration in regards to installation or removal of their booth, please let CECA know in advance **at the time of booking** and CECA will do its best to accommodate the exhibitor if possible. CECA reserves the right to assign that exhibitor a booth(s) conducive to early dismantle and less Show floor disruption.
