ChrisD AV Scanner app for ESI Tradeshows

An exhibitor must have! Get the most out of your next ESI trade show.
Using the ChrisD AV scanner app you can scan all your booth visitors. It's an efficient and easy way to collect your visitor's contact information. Add notes for future reference to each scan.
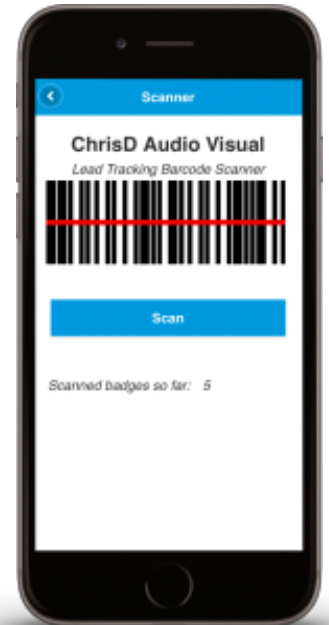

Price per License: $125/show

Collaborate with your team!

Have more than one person working in your booth? Purchase additional staff licenses for everyone working in your booth.
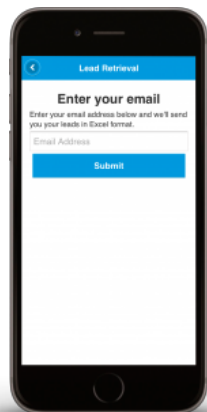

Additional Staff Licenses: $50% off

Get your leads faster!

Download a master list of all your scanners from your account at chrisdAV.com a few hours after the show ends. Each scanner also produces it's own lead file so your sales reps can get their leads faster.
