

Approaching the Banff springs, at the end of /405 Spray Ave, the Main loading dock is on the left before the front lobby, (shortly after the tennis courts). Take the 2nd right after turning do not enter the road to the lobby, that is one way – do watch for traffic exiting that road.

Exhibitors need to unload and move their vehicle to valet or parking, and return to take goods to their booth, (there is an elevator to reach the show floor), and set up their display.

At tear down, please pack up, and then bring your vehicle to load after your display is packed and ready to load. There is not space for vehicles to remain at the dock other than to load and unload.

Do see GES, day of the path to the exhibit hall could change - large crates could be delayed reaching the space.

Please move your vehicle to the **valet**  pay lot, or  the parkade  There is street / free upto 4 hours parking back up Spray Ave, on the right.
